Opposition No. 91264424

**CONSENTED MOTION TO EXTEND**

Applicant SiteCare, LLC (f/k/a Southern Web, LLC) submits this Consented Motion to Extend to the Trademark Trial and Appeal Board (the “Board”). The parties are actively engaged in settlement negotiations, and Opposer consented to an extension of time to respond to Opposer’s pending Motion for Summary Judgment and Sanctions (“Opposer’s Motion”). Applicant informs the Board of the following facts:

- Applicant’s prior counsel of record became unresponsive during previous settlement negotiations.
- Applicant assumed that prior counsel had been handling negotiations and was actively in the process of settling this dispute.
- Once Applicant became aware that its attorney was not responding to Opposer’s counsel, it diligently sought and engaged alternative counsel.

- Applicant has prioritized settling this dispute over the costs and expenses required to respond to Opposer's Motion.
- Opposer is currently reviewing the latest proposal from Applicant.

In view of the fact that the parties' counsel remain in close contact with one another, and because the parties are reviewing a newly proposed framework for settlement, Applicant, with Opposer's consent, respectfully requests an extension of time to **June 21, 2021**, for Applicant to respond to Opposer's Motion. As such, the granting of this request, and any subsequent consented requests that may be necessary, will permit the parties to continue to work towards completing a potential settlement.

WHEREFORE, the parties respectfully request that the Board grant this Motion and adjust the deadline in this proceeding as set forth above.

Respectfully submitted,

ARNALL GOLDEN GREGORY LLP
