CONSENTED MOTION TO AMEND APPLICATION PURSUANT TO 37 C.F.R. § 2.133

Pursuant to 37 C.F.R. § 2.133, ACT House, Inc. (“Applicant”) hereby requests that Application Serial No. . 88/854508 be amended to limit the identification of services from:

“Business development services, namely, providing start-up support for businesses of others” in International Class 35; ***to the following***:

“Business development services, namely, providing start-up support for businesses of others, **excluding support services relating to workforce development programs, employee foundational skill programs in core disciplines, namely, reading, math and graphic literacy, and content identification programs**” in International Class 35.

Applicant submits that entry of this amendment is appropriate as it limits the identification of services in International Class 35, and does not broaden them from those included in the original identification. Applicant respectfully submits that entry of this amendment is also appropriate because Applicant has secured the consent of Act, Inc. (see attached Consent of Opposer).

Accordingly, Applicant respectfully requests that the Board grant the forgoing Consented Motion to Amend Application Pursuant to 37 C.F.R. § 2.133.
