**CONSENTED MOTION TO AMEND APPLICATION NO. 88/456,631 AND
CONTINGENT MOTION TO DISMISS THE OPPOSITION WITHOUT PREJUDICE**

Pursuant to 37 C.F.R. § 2.133(a), and TBMP § 514, Tetra GmbH (the “Opposer”) hereby requests, and Planet Water, LLC (the “Applicant”) consents to, the amendment of the Identification of Goods for Application No. 88/456,631 (the “Application”) to read as follows:

Proposed Descriptions

Class 7:

Water pumps for water treatment equipment, namely, pumps for collecting, filtering, storing and dispensing water for human personal hygiene and consumption

Class 11:

Water treatment equipment, namely, water treatment machines for filtering and dispensing water for human personal hygiene and consumption

Class 19:

Water treatment equipment, namely, non-metal water storage basins for collecting and storing water for human personal hygiene and consumption

Redline Changes

Class 7:

Water pumps for water treatment equipment, namely, pumps for collecting, filtering, storing and dispensing water for human personal hygiene and consumption

Class 11:

Water treatment equipment, namely, water treatment machines for filtering and dispensing water for human personal hygiene and consumption

Class 19:

Water treatment equipment, namely, non-metal water storage basins for collecting and storing water for human personal hygiene and consumption

The foregoing amendment proposes to more narrowly define the Identification of Goods in the Application and does not affect the substance of the mark. Therefore, the parties request it be accepted and entered.

Contingent upon acceptance of the amendment as described above, after the amendment is entered, the parties mutually request the opposition be dismissed without prejudice.

Respectfully submitted,

Tetra GmbH
