Opposition No. 91265023

Tetra GmbH

v.

Planet Water, LLC

By the Trademark Trial and Appeal Board:

On January 21, 2021, Opposer filed a jointly agreed proposed amendment to Applicant's Application Serial No. 88456631, and the parties' stipulation to dismiss the opposition without prejudice, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Classes 7, 11, and 19 as follows (additions in **bold**):

Class 7:

From: Water pumps for water treatment equipment, namely, pumps for collecting, filtering, storing and dispensing water

To: Water pumps for water treatment equipment, namely, pumps for collecting, filtering, storing and dispensing water **for human personal hygiene and consumption**

Class 11:

From: Water treatment equipment, namely, water treatment machines for filtering and dispensing water

Opposition No. 91265023

To: Water treatment equipment, namely, water treatment machines for filtering and dispensing water **for human personal hygiene and consumption**

Class 19:

From: Water treatment equipment, namely, non-metal water storage basins for collecting and storing water

To: Water treatment equipment, namely, non-metal water storage basins for collecting and storing water **for human personal hygiene and consumption**

The amendment is limiting in nature, as required by Trademark Rule 2.71(a).

Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in the parties' motion having now been met, the opposition is dismissed without prejudice.
