Opposition No. 91265064

Lenovo (Beijing) Limited

v.

Nanxiong Mitong Electronics Co., Ltd.

Ellen Yowell, Paralegal Specialist:

On November 20, 2020, the Board issued a notice of default in view of Applicant's failure to file an answer, or a motion to extend its time to file an answer, by November 9, 2020.

A review of the file of the involved application reveals that a "Change Address or Representation Form" was filed on December 21, 2020 by utilizing the Trademark Electronic Application System (TEAS), and therefore it was not associated with the Board proceeding. When an application or registration is involved in a Board proceeding, jurisdiction over the application or registration lies with the Board and submissions should be filed utilizing the Board's Electronic System for Trademark Trials and Appeals (ESTTA) at <http://estta.uspto.gov/>. No request to change correspondence information has been filed through ESTTA. Accordingly, the correspondence information in this proceeding remains as previously entered.

As a courtesy, a copy of this order will be sent to the following address.

In view of the circumstances, Applicant is allowed until thirty days from the date of this order in which to file through ESTTA a change of correspondence address in this proceeding, and to respond to the notice of default, failing which the opposition will proceed as in the case of default.

Proceedings remain suspended pending a response to this order.
