Rochelle Adams, Paralegal Specialist:

On March 18, 2022, Applicant filed a proposed amendment to its application Serial No. 88701642, with Opposer's consent. The Board notes that the parties' proposed amendment failed to include a "redlined" copy of the full proposed identification of goods.

Accordingly, the parties are allowed until **TEN (10) days** from the mailing date of this order to file a "redlined" copy of the proposed amendment which clearly indicates which words should be added and which words should be deleted, failing which proceedings will be resumed and the motion to amend will be given no consideration. *See* Trademark Rule 2.74(a).

Proceedings are otherwise suspended.
