Cancellation No. 92075507

Information Builders, Inc.

v.

Secret POS Systems, Inc.

By the Trademark Trial and Appeal Board:

Plaintiff, without the written consent of Defendant, filed a withdrawal of the opposition and petition for cancellation on April 9, 2021.

Trademark Rules 2.106(c) and 2.114(c) provides that after an answer is filed, the opposition or petition for cancellation may not be withdrawn without prejudice except with the written consent of defendant.

In view thereof, and because the withdrawal was filed after answer, the opposition and petition for cancellation are dismissed with prejudice.
