NEXUS Digital LLC.

v.

Bigfoot Ventures LLC.

**Michael Gleissner, Managing Director:**

In the abovementioned opposition proceedings, Respondent's attorney filed a request to withdraw from the subject Mark. Therefore, respondent has encountered some unfortunate delays with obtaining all records related to trademarks and ongoing proceedings.

Respondent intends to continue the proceedings, pro se, with the undersigned Michael Gleissner, corporate officer of the Respondent as duly appointed legal representative, representing the Respondent.

The lack of response was inadvertent, and we respectfully ask for the Office to allow the continuation of the proceedings. The undersigned respectfully requests to excuse the late filing of this declaration, and wishes to point out (a) that the undersigned and sole legal representative of the Respondent has been significantly impacted by the restrictions caused by the health pandemic generally known as the "Covid Pandemic", restricting travel and availability of office staff, resulting in severe delays of mail forwarding, (b) the undersigned has left the United States in May 2020 with his family, and presently based in Taiwan Republic of China, without any international travel due to fear of being impacted by the deadly disease, (c) undersigned has, for that reason, just recently, specifically within the last 14 days, been made aware of the document sent by counsel of the adverse party, and (d) needed some time to familiarize himself with the online systems and procedures to gain access to the proceedings.

Therefore, it is respectfully requested for the office to allow the proceedings to continue, with a short additional time granted for a response, with the undersigned representing the Respondent *pro se*.

**Potential Deficiency of the filing of Applicant date January 5, 2021**

The undersigned would like to point out that no signature can be identified on any statement of counsel on the subject submission, and it is therefore not signed. Respondent can furthermore not locate any certificate of service that indicates that the filing of Notice of Default was served, in accordance with the rules of proceedings of the Trademark Trial and Appeal Board, to the Respondent. Respondent was just recently made aware of the proceeding when accidentally coming across unsolicited attorney advertisement emails which prompted Respondent to check the online status.

In case the Office does not accept the late submission of Respondent for the reasons specified on page 1, the undersigned respectfully requests to take the potential deficiencies above into consideration when making a decision whether this response was file in a timely manner or not.

**Correspondence contact address going forward**

For any correspondence going forward, the undersigned respectfully requests to update the addresses for service in the abovementioned proceedings to be amended to:

Michael Gleissner

Millburn NJ 07041

For the Respondent
