Opposition No. 91266044

**MOTION TO EXTEND TIME**

In accordance with 509.01(a) of the TBMP, Applicant requests that the Board grant an extension of time of 90 days for Applicant to extend the deadline for discovery conference, and for a ninety-day extension of all other dates in this proceeding, for the following good causes:

1. Applicant is in multiple business trips starting August 2022, traveling across different countries. Due to different COVID 19 quarantine rules, such as in China, Applicant needs more time for this process.
2. Applicant is in a process of selecting a counsel for this process, due to Applicant's traveling schedules across different countries, it is difficult to meet or communicate with a counsel due to, for example, time zone difference (e.g., 15 hours) and other issues. Thus, Applicant needs more time for this process.

For the above reasoning, Applicant requests that the Board grant an extension of time to extend the deadline for discovery conference, and extension of all other dates in this proceeding. I have asked Opposer's counsel whether they will consent, but have not heard back.

Respectfully submitted,

Zhanyu Zhu
