Opposition No. 91266144

Sloan Valve Company

v.

Follicle, Inc.

By the Trademark Trial and Appeal Board:

On February 16, 2022, Applicant filed the parties' stipulation with Applicant's proposed amendment to the involved application Serial No. 90004660, and Opposer's withdrawal, with prejudice, of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods in International Class 11 of the subject application by adding language shown in bold font below. The goods as amended will read as follows:

Handheld household hair dryers.

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. See Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is **dismissed with prejudice.**
