NOTICE OF OPPOSITION

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

Dear Sir or Madam:

Opposer, LT Overseas North America, Inc., a California corporation, located and doing business at 11130 Warland Drive, Cypress, California 90630 (“Opposer”) believes that it will be damaged by the registration of the GRAND ROYAL mark shown in U.S. Trademark Application Serial No. 90/002136 (the “Application”), filed on June 15, 2020 by Grand Royal Foods LLC, a New Jersey limited liability company with an address of 12 E. Maryland Avenue, Somers Point, New Jersey 08244 (“Applicant”) and therefore opposes the same. A description of Applicant’s

Application is as follows:

Mark	:	GRAND ROYAL
Serial No.	:	90/002136
Filed	:	June 15, 2020
Published	:	October 27, 2020
Class	:	30
Goods	:	Savory sauces used as condiments.

As grounds for opposition, it is alleged:

1. Since at least as early as 1989, long before Applicant filed the Application, Opposer has been and still is, using its ROYAL® mark in connection with rice and other food items.

2. Opposer owns and relies upon incontestable United States Trademark Registration No. 4,203,136 (“’136 Registration”) for the mark ROYAL® for “rice, flour; preparations made from cereals, namely, corn flour, whole grain oat, corn bran, rice;” in International Class 30, which registration issued on September 4, 2012 and is based on an application filed with the United States Patent and Trademark Office (“PTO”) on April 11, 2011. The filing date of the ’136 Registration is prior to the filing date of the Application. True and correct copies of printouts obtained from the electronic database records (TSDR) of the PTO showing the current status and title of the ’136 Registration are attached hereto as Exhibit 1 and made of record.

3. Opposer owns and relies upon incontestable United States Trademark Registration No. 3,990,952 (“’952 Registration”) for the mark ® for “rice” in International Class 30, which registration issued on July 5, 2011 and is based on an application filed with the PTO on March 30, 2010. The filing date of the ’952 Registration is prior to the filing date of the Application. True and correct copies of printouts from the electronic database records (TSDR) of the PTO showing the current status and title of the ’952 Registration are attached hereto as Exhibit 2 and made of record.

4. Opposer owns and relies upon United States Trademark Registration No. 5,428,599 (“’599 Registration”) for the mark ROYAL® for “Regular and organic dried lentils and beans” in International Class 29, which registration issued on March 20, 2018 and is based on an application filed with the PTO on September 27, 2012. The filing date of the ’599 Registration is prior to the filing date of the Application. True and correct copies of printouts from the electronic database records (TSDR) of the PTO showing the current status and title of the ’599 Registration are attached hereto as Exhibit 3 and made of record.

5. Opposer owns and relies upon United States Trademark Registration No.

5,743,695 (“695 Registration”) for the mark  ® for “rice, flour” in International Class 30, which registration issued on May 7, 2019 and is based on an application filed with the PTO on June 22, 2018. The filing date of the ’695 Registration is prior to the filing date of the Application. True and correct copies of printouts from the electronic database records (TSDR) of the PTO showing the current status and title of the ’695 Registration are attached hereto as Exhibit 4 and made of record.

6. Opposer owns and relies upon United States Trademark Application No. 88/342,593 (“593 Application”) for the mark ROYAL for “prepared vegetable-based side dishes; packaged vegetable-based side dishes; prepared lentil-based side dishes; packaged lentil-based side dishes; prepared dal-based side dishes; packaged dal-based side dishes; Processed lentils; Dal” in International Class 29 and “Sauces; Spices; Naan bread; Flat bread” in International Class 30, which was filed with the PTO on March 15, 2019. The filing date of the ’593 Application is prior to the filing date of the Application. True and correct copies of printouts from the electronic database records (TSDR) of the PTO showing the current status of the ’593 Application are attached hereto as Exhibit 5 and made of record.

7. Opposer’s registrations identified in Paragraphs 2-3 are incontestable. As such, they constitute conclusive evidence of the validity of the registered marks and of the registrations of the marks, of Opposer’s ownership of the marks, and of Opposer’s exclusive right to use the registered marks in commerce as provided in Section 33 of the Lanham Act, 15 U.S.C. § 1115.

8. Opposer’s registrations identified in Paragraphs 2-5 are valid, subsisting, unrevoked, uncancelled, and not abandoned. As such, they constitute prima facie evidence of the validity of the registered marks and of the registrations thereof, and Opposer’s ownership of the

marks shown therein. Said registrations also constitute notice to Applicant of Opposer's claim of ownership of the marks shown therein, all as provided in Sections 7(b), 22 and 33(a) of the Trademark Act of 1946, as amended.

9. Since long before Applicant filed the Application, Opposer has been using its ROYAL marks in connection with rice, grains, and other food items.

10. Opposer's filing dates for the above registrations and application precede the filing date of the Application.

11. Opposer, through continuous and substantial use and promotion, has acquired significant goodwill and consumer recognition in Opposer's ROYAL Marks. Opposer also relies on its extensive common law rights in Opposer's ROYAL Marks throughout the United States as a basis for this Opposition proceeding.

12. Applicant seeks an unrestricted federal registration for the GRAND ROYAL mark covering "savory sauces used as condiments" in International Class 30 as set forth in Applicant's Application. As such, if Applicant's Application matures to registration, such registration will constitute prima facie evidence of Applicant's exclusive right to use the registered mark in commerce or in connection with the identified goods throughout the United States with no limitation thereon.

13. Applicant's GRAND ROYAL mark so resembles Opposer's ROYAL Marks as to be likely to cause confusion or to cause mistake or to deceive under Section 2(d) of the Trademark Act. In view of Opposer's prior statutory and common law trademark rights, Applicant is not entitled to registration of the Application pursuant to Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

14. By reason of the foregoing, Opposer will be damaged by registration of U.S. Trademark Application Serial No. 90/002136 for the mark GRAND ROYAL.

WHEREFORE, Opposer requests that U.S. Trademark Application Serial No. 90/002136 for the mark GRAND ROYAL be rejected and stricken, that no registration be issued thereon to Applicant, and that this opposition be sustained in favor of Opposer.
