Opposition No. 91266802

ITS, Inc.

v.

Sezzle Inc.

**M. Catherine Faint,
Interlocutory Attorney:**

On December 17, 2021 the Board held two telephone conferences involving Clinton G. Newton, Atty. and Christine A. Guastello, Atty., counsel for ITS, Inc., (Opposer), and Todd R. Fronek, Atty. and John A. Kvinge, Atty., counsel for Sezzle, Inc. (Applicant).

The Board convened the teleconferences because the parties had each filed motions captioned in the electronic docket as unconsented motions to extend time and the Board discussed with counsel possible resolution of the motions without full briefing. However, resolution was not reached.

Given the overlapping nature of the motions, that they were filed on the same date, and the holiday season, the Board sets the briefing schedule as follows.

Applicant is allowed until January 5, 2022 to file and serve its response to Opposer's motion. Opposer is allowed until January 12, 2022 to file and serve its

response to Applicant's motion. Reply briefs, if any, are due in accordance with Trademark Rule 2.127(a).

Proceedings are otherwise **suspended** as of the December 6, 2021 filing of the motions.
