Opposer,

v.

ALCLEAR, LLC,

Applicant.

OPPOSITION NO.:

NOTICE OF OPPOSITION

Take-Two Interactive Software, Inc. (“Take-Two” or “Opposer”) is a corporation organized under the laws of Delaware with a principal place of business at 110 West 44th Street, New York, New York 10036. Opposer believes its trademark and/or service mark rights will be damaged by the registration of the mark I2T2 (the “Disputed Mark”) by Applicant Alclear, LLC (“Applicant”) for “Downloadable software application that enables users to enter, access, track, monitor, verify and generate personal health and medical information and reports; downloadable software application for verification and authentication of personal identity and health information and records” in Class 9, and “Providing temporary use of non-downloadable, web-based software application that enables users to enter, access, track, monitor, verify and generate personal health and medical information and reports; providing temporary use of non-downloadable, web-based software application for verification and authentication of personal identity and health information and records” in Class 42 (collectively, “Applicant’s Goods and

Services”) covered by the above-identified application Serial No. 88/879,209 (the “Application”) and, having been granted extensions of time to oppose the Application up to and including January 17, 2021, hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer is a leading worldwide developer, marketer, and publisher of interactive entertainment, including software, video games, computer games, mobile games, tablet games, interactive video and online entertainment services, and a wide array of related goods and services (collectively, “Opposer’s Goods and Services”). Opposer’s Goods and Services are marketed and sold to consumers through physical retail, digital download, online platforms, and cloud streaming services throughout the world, including the United States.

2. Opposer is using and has used marks comprising or containing “T2” and “Take Two” and variations thereof (collectively, the “Take-Two Marks”) for well over a decade in connection Opposer’s Goods and Services.

3. The Take-Two Marks have been featured prominently in connection with the promotion and sale of Opposer’s Goods and Services, and related marketing and promotional materials.

4. Opposer has expended significant time and money promoting its goods and services in connection with the Take-Two Marks, and has generated significant revenues as a result of the sale of Opposer’s Goods and Services bearing or offered in connection with the Take-Two Marks. By virtue of such advertising, promotion, and sales, Opposer’s Take-Two Marks have become well-known and established in connection with Opposer’s business. Opposer has used the Take-Two Marks in connection with Opposer’s Goods and Services long prior to April 20, 2020, the filing date of the Application.

5. Opposer is the exclusive owner of the following federal trademark registrations on the Principal Register for the Take-Two Marks:

- A. Registration No. 3,147,137 for  for “computer game software; electronic game programs; video game disks and cartridges” in Class 9, which issued September 26, 2006, and has achieved incontestable status;

- B. Registration No. 4,114,224 for  for “entertainment services, namely, providing a website featuring news, information, and non-downloadable audio-visual content, music, films, videos, and other multimedia materials in the field of computer games and video games; providing information, news and commentary in the field of computer games and video games” in Class 41, which issued March 20, 2012, and has achieved incontestable status;
- C. Registration No. 4,459,305 for T2 for “providing information, news and commentary in the field of computer games and video games in Class 41, which issued December 31, 2013, and has achieved incontestable status; and

- D. Registration No. 6,045,220 for  for “Recorded computer and video game programs and software ; downloadable computer and video game programs and software; downloadable digital materials, namely, ring tones, wallpapers, screensavers, digital music files, and graphics, videos, films, multimedia files, live action programs, motion pictures, and animation in the field of video games and computer games, all delivered via global computer networks and wireless networks; pre-recorded digital media devices featuring computer games and video games, ring tones, wallpapers, screensavers, digital music files, and graphics, videos, films, multimedia files, live action programs, motion pictures, and animation in the field of video games and computer games” in Class 9, and “Entertainment services, namely, providing a website featuring computer games and video games, and news, information and non-downloadable audio-visual content, in the nature of music, films, videos and multimedia entertainment content, all in the field of computer games and video games; providing information, news and commentary in the field of computer games and video games” in Class 41, which issued May 5, 2020.

6. The registrations listed above are valid, subsisting, in full force and effect, and serve as conclusive or *prima facie* evidence of Opposer's exclusive rights in and to the Take-Two Marks. Records of the above-referenced trademark registrations from the U.S. Patent and Trademark Office Trademark Status and Document Retrieval database are attached hereto as Exhibit A.

7. Opposer has continuously and prominently used Opposer's Take-Two Marks since their adoption. Opposer has extensively advertised and promoted Opposer's Take-Two Marks in connection with Opposer's Goods and Services, and has achieved significant sales, exposure and recognition of Opposer's Goods and Services bearing or offered in connection with Opposer's Take-Two Marks.

8. By virtue of Opposer's longstanding use and extensive promotion of the Take-Two Marks in connection with Opposer's Goods and Services, the Take-Two Marks have developed enormous goodwill in the trade and among consumers and have become famous and exclusively associated with Opposer in the minds of the consuming public. Opposer therefore owns valuable rights in the Take-Two Marks.

9. On April 20, 2020, Applicant filed the Application based upon its alleged intent to use the Disputed Mark in connection with Applicant's Goods and Services in Class 9 and Class 42 covered by the Application.

10. Upon information and belief, Applicant did not use the Disputed Mark in the United States in connection with Applicant's Goods and Services prior to the April 20, 2020 filing date of the Application.

11. By virtue of Opposer's use and promotion of, and registrations for, the Take-Two Marks, Opposer has prior rights in the Take-Two Marks that are superior to any alleged rights of Applicant in the Disputed Mark covered by the Applications.

12. Upon information and belief, Applicant filed the Application with full knowledge of Opposer's prior rights in the Take-Two Marks.

13. Applicant's Goods and Services covered by the Application are identical and/or closely related to Opposer's Goods and Services offered in connection with the Take-Two Marks. Upon information and belief, Applicant's Goods and Services will be marketed and sold through the same and/or similar channels of trade and to the same classes of consumers.

14. The Disputed Mark is confusingly similar in appearance, sound and commercial impression to Opposer's Take-Two Marks. The Disputed Mark contains "T2", the sole or dominant element of Opposer's Take-Two Marks. If spoken, the Disputed Mark and the Take-Two Marks would sound similar. The Disputed Mark therefore make the same commercial impression as Opposer's Take-Two Marks, such that consumers are likely to mistakenly believe the Disputed Mark refers to or is otherwise associated with Opposer and/or Opposer's Goods and Services.

15. The Disputed Mark so resembles Opposer's Take-Two Marks as to be likely, when applied to Applicant's Goods and Services, to cause confusion, to cause mistake, and to deceive the trade and public, who are likely to believe that Applicant's Goods and Services have their origin with Opposer and/or that such goods and services are approved, endorsed or sponsored by Opposer or associated in some way with Opposer. Opposer would therefore be injured by the granting to Applicant of a certificate of registration for the Disputed Mark.

16. Opposer's Take-Two Marks are distinctive and famous, and enjoyed such fame well prior to the April 20, 2020 filing date of the Application and any other date on which Applicant may rely for purposes of priority. Opposer would be further injured by the granting of certificates of registration for the Disputed Mark because such mark is likely to dilute the distinctive quality of Opposer's Take-Two Marks.

WHEREFORE, Opposer believes that it will be damaged by registration of the Application and respectfully requests that this Opposition be sustained and that the Application for the registration of the mark I2T2 be refused.
