Attached as Exhibit A are printouts of the TSDR and assignment records from the U.S. Patent and Trademark Office database showing the full particulars of the marks in the chart above.

29. The federal registrations set forth in Paragraph 28 are valid and subsisting. They constitute *prima facie* evidence of their validity, and some of the registrations are incontestable and constitute conclusive evidence of Caterpillar’s exclusive rights to use the CAT Name and Mark in connection with the products and services recited in the registrations.

Applicant’s LOCAT Application

30. Applicant LO-CAT Systems GmbH is a German limited liability company, having an address of Brand 12, 79677 Schönau, Germany.

31. Applicant is the listed owner of Application Serial No. 79279683 (the “Application”) filed November 25, 2019, under Section 66(a), 15 U.S.C. § 1141f(a), for the mark LOCAT (“Applicant’s LOCAT Mark”) for “machines and machine tools for material treatment and for manufacturing, namely, machines and machine tools for metalworking, shaping, molding, die-cutting and die-casting; tools being parts of machines, namely, tools for metalworking, shaping, molding, die-cutting and die-casting, in particular for the automobile and aviation industries; components for machine tools for metalworking, shaping, molding, die-cutting and die-casting; conveyors being machines for blank-cutting tools for the automotive industry” in International Class 7 and “material treatment, namely, treatment and processing of plastic material, rubber and metal, in particular stretch forming, round bending, punching and mechanical processing of metal

sheets; custom manufacture of metal goods in the field of metalworking” in International Class 40 (collectively, “Applicant’s Goods and Services”).

32. On February 2, 2021, the Application was published for opposition in the *Trademark Official Gazette* (TMOG).

Likelihood of Confusion, 15 U.S.C. § 1052(d)

33. Opposer repeats and realleges each and every allegation set forth in Paragraphs 1 through 32 above.

34. Opposer has priority based on its prior valid and subsisting registrations for Opposer’s CAT Name and Mark. Further, Opposer used Opposer’s CAT Name and Mark in commerce for Opposer’s Goods and Services before the filing date of the opposed application and before any date of first use in commerce that Applicant may prove.

35. Applicant’s LOCAT Mark, as applied to Applicant’s Goods and Services, so resembles Opposer’s previously used, filed, and registered CAT Name and Mark, as to be likely to cause confusion, mistake, or deception as to the origin, sponsorship, or approval of Applicant, Applicant’s LOCAT Mark, and/or Applicant’s Goods and Services by or with Opposer, Opposer’s CAT Name and Mark, and/or Opposer’s Goods and Services in violation of Section 2(d) of the Lanham Act, as amended, 15 U.S.C. § 1052(d).

Dilution, 15 U.S.C. § 1125(c)(1)

36. Opposer repeats and realleges each and every allegation set forth in Paragraphs 1 through 35 above.

37. Opposer has engaged in extensive nationwide advertising, promotion, and use of its federally registered CAT Name and Mark. In addition, Opposer has had substantial sales of goods and services under Opposer’s CAT Name and Mark for decades.

38. Further, as detailed above, Opposer’s CAT Name and Mark is distinctive and has for

many years received extensive unsolicited media attention nationwide. Such media attention has had a substantial impact on the public and has long created an association in the minds of consumers between Opposer's CAT Name and Mark and Opposer.

39. As a result, Opposer's CAT Name and Mark is famous and became famous well before the filing date of Application Serial No. 79279683 and any date of first use that may be proved by Applicant.

40. Applicant's LOCAT Mark so closely resemble the previously used and registered CAT Name and Mark as to be likely to cause dilution of the distinctive quality of Opposer's CAT Name and Mark in violation of Section 43(c) of the Lanham Act, as amended, 15 U.S.C. § 1125(c).

WHEREFORE, Opposer is being and will be damaged by the registration of Applicant's LOCAT Mark for the goods and services shown in Application Serial No. 79279683, and requests that this opposition be sustained and that registration to Applicant be refused.

A filing fee has been submitted electronically. If the filing fee is found to be insufficient for any reason, please charge the deficiency to Deposit Account No. 506154.
