Request for Oral Hearing (optional) Due	11/12/2022

The grounds for this request are as follows:

- *Applicant has had to retain new counsel following the withdrawal of prior counsel on or about May 10, 2021. Applicant requires additional time to investigate the claim, its merits, and defenses. Applicant also requires time to prepare an Answer. Please note that the above-stated request for an extension of the expert disclosure due date is not accurate, as it is automatically created by ESTTA given that all prior due dates are deemed closed, and the minimum time period available as an option for an extension is 30 days. This is a request to extend time to answer. On consent, the parties wish to reset the date by which Applicant must file his Answer to August 12, 2021, (14 days) and that subsequent dates be reset accordingly.*

Christopher Bellistri has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.
