Hanby Technologies, Inc.,

Applicant.

Opposition No. 91269819

Consent Motion to Amend
Application

**CONSENT MOTION TO AMEND APPLICATION
Pursuant to 37 C.F.R §2.133**

Applicant, Hanby Technologies, Inc., with the consent of Opposer, Caseware International, Inc., amends the application that is the subject of this proceeding, Serial No. 90211250, for the mark IDEA. The amendment to the identification of services in Class 42 is as follows (**amendment is bolded**):

Class 42: Platform as a service (PAAS) featuring computer software platforms for organizing, building, and managing digital content, developing predictive digital marketing models, extracting and retrieving information and data for others by means of computer networks; providing a search engine for obtaining data, graphics, files and images on a global computer network; providing online non-downloadable software for searching a user's mobile phone, computer, tablet, or other electronic communication device for data, graphics, files and images; providing on-line non-downloadable voice recognition software; computer services, namely, providing a voice-controlled search engine for obtaining data, images, files, information, audio, and video via a computer network; Design and development of computer software; Providing temporary use of online non-downloadable software for streaming and playing audio, video, and multimedia content; providing temporary use of online non-downloadable computer software for browsing and accessing digital content, information, computer software programs, audio works, visual works, audiovisual works, electronic publications, books, movies, and music; providing temporary use of online non-downloadable computer software for transmission and display of digital content, information, audio works, visual

works, audiovisual works, electronic publications, books, movies, and music. **None of the foregoing services in association with computer software for auditing, statistical sampling or transaction data analysis**

This amendment limits and clarifies the identification of services and therefore is allowable consistent with 37 CFR § 2.71(a) which states, “The applicant may amend the application to clarify or limit, but not to broaden, the identification of goods and/or services or the description of the nature of the collective membership organization.”
