IN THE MATTER OF TRADEMARK APPLICATION SERIAL NO. 90/458,144
PUBLISHED IN THE OFFICIAL GAZETTE ON SEPTEMBER 7, 2021

MARK: YFO

UFO CONTEMPORARY, INC., **Opposer,** **v.** **YFO LLC,** **Applicant**	**OPPOSITION NO.:**

NOTICE OF OPPOSITION

UFO Contemporary, Inc. ("Opposer") is a corporation organized and existing under the laws of the State of New York with a principal place of business at P.O. Box 20505, New York, New York 10017. Opposer believes its trademark and/or service mark rights will be damaged by the registration of the mark YFO (the "Disputed Mark") by Applicant YFO LLC ("Applicant") for "clothing, namely, shirts, hooded sweatshirts, tops as clothing and bottoms as clothing; headwear and footwear" in International Class 25 ("Applicant's Goods") covered by the above-identified application (the "Application") and, having been granted an extension of time to oppose up to and including January 5, 2022, and a second extension of time to oppose with Applicant's consent up to and including March 6, 2022, hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer is an apparel company that has been a forerunner in fashion in the U.S. and around the world since the early 1960s.

2. Since at least as early as 1969, Opposer has used the trademark UFO and related marks, including the design mark: (collectively, the "UFO Marks") in U.S. commerce in connection with the promotion and sale of casual sportswear clothing including pants, shorts, sweatpants, skirts, coveralls, shirts, blouses, jackets, vests, and headwear including hats, beanies, and visors, for men, women and children; shoes; leather goods; bags; accessories including wrist bands; jewelry; personal care products; stationary; house linens such as bedding, towels, table cloths and drapes; and an online computerized fashion database (collectively, "Opposer's Goods"). Opposer also uses its UFO Marks in connection with its sponsorship of many sporting events in the U.S. and worldwide.

3. Opposer's UFO Marks are the subject of trademark registrations around the world, including U.S. trademark registrations in International Classes 3, 9, 14, 16, 18, 20, 24, 25, and 42. Opposer owns the following U.S. trademark registrations for its UFO Marks covering goods in International Class 25, all of which are incontestable:

A. Registration No. 938,927 for UFO for "trousers including pants and blouses or shirts for males and females," which issued on July 25, 1972;

B. Registration No. 1,840,629 for UFO "footwear; namely, shoes, sneakers, slippers, and the like," which issued on June 21, 1994;

C. Registration No. 938,923 for the UFO Mark for "trousers, including pants and blouses or shirts for males and females," which issued on July 25, 1972;

D. Registration No. 1,845,706 for the UFO Mark for "footwear; namely, shoes, sneakers, slippers, and the like,' which issued on July 19, 1994; and

E. Registration No. 1,722,034 for the UFO Mark for "clothing; namely, jeans, pants, shorts, jackets, shirts, dresses, skirts, and blouses," which issued on October 6, 1992.

4. These registrations are valid, subsisting, in full force and effect, and serve as conclusive or *prima facie* evidence of Opposer's exclusive rights in and to the UFO Marks in International Class 25. True and correct copies of records from the U.S. Patent and Trademark Office Trademark Status and Document Retrieval database demonstrating Opposer's ownership and the valid and subsisting status of the above-referenced trademark registrations are attached hereto as **Exhibit A**.

5. Opposer has used Opposer's UFO Marks in connection with the promotion and sale of Opposer's Goods in U.S. commerce since their adoption long prior to the filing date of the Application. Since its first use of the UFO Marks, Opposer has expended significant time and money promoting Opposer's Goods to the U.S. public under the UFO Marks throughout the United States. Over the years, Opposer's Goods have been promoted by various means and types of solicited and unsolicited advertising media, including the internet, newspapers, magazines, trade publications and trade shows, and the like, as well as via sponsorship of events related to athletics, fitness, music, and dance. Opposer has generated significant revenues as a result of the sale of Opposer's Goods bearing or offered in connection with the UFO Marks.

6. By virtue of such advertising, promotion, and sales, the clothing and related products and services provided and promoted by Opposer under the UFO Marks have come to be known to the public in the United States and throughout the world as being of the highest quality. As a result of Opposer's longstanding use and extensive promotion of the UFO Marks in connection with Opposer's Goods, the UFO Marks have developed enormous goodwill in the

trade and among consumers and have become exclusively associated with Opposer in the minds of the consuming public. Opposer owns valuable rights in the UFO Marks.

7. On January 11, 2021, Applicant filed Application Serial No. 90/458,144 based upon its alleged intent to use the Disputed Mark in connection with Applicant's Goods in International Class 25 in United States commerce.

8. There has never been any relationship between Applicant and Opposer, and Opposer has never authorized or consented to Applicant's use or application to register the Disputed Mark opposed herein.

9. Upon information and belief, Applicant did not use the Disputed Mark in the United States in connection with Applicant's Goods prior to the filing date of the Application.

10. By virtue of Opposer's prior use and promotion of, and registrations for, Opposer's UFO Marks, Opposer has prior rights in Opposer's UFO Marks that are superior to any alleged rights of Applicant in the Disputed Mark.

11. Applicant's Goods are identical and/or closely related to Opposer's Goods bearing or offered in connection with Opposer's UFO Marks. Upon information and belief, Applicant's Goods and Opposer's Goods bearing or offered in connection with Opposer's UFO Marks will be marketed and sold through the same and/or similar channels of trade and to the same classes of consumers.

12. The Disputed Mark is confusingly similar in appearance, sound and meaning to Opposer's UFO Marks. Among other things, the the Disputed Mark is nearly identical to Opposer's UFO mark and to the dominant "UFO" element of Opposer's UFO Marks but for the subtitution of the letter "U" for the phonetically and visually similar letter "Y." If spoken, the Disputed Mark and Opposer's UFO Marks would sound the same. The Disputed Mark therefore

makes the same commercial impression as Opposer's UFO Marks such that consumers are likely to mistakenly believe the Disputed Mark refers to or is otherwise associated with Opposer and/or Opposer's Goods.

13. The Disputed Mark so resembles Opposer's UFO Marks as to be likely, when used in connection with Applicant's Goods and Services, to cause confusion, to cause mistake, and to deceive the trade and public, who are likely to believe that Applicant's Goods have their origin with Opposer and/or that such goods are approved, endorsed, or sponsored by Opposer or associated in some way with Opposer and/or Opposer's Goods. Opposer would therefore be injured by the granting to Applicant of a certificate of registration for the Disputed Mark.

14. Opposer has priority in its UFO Marks predating any date upon which Applicant may rely for purposes of priority. Opposer's UFO Marks are distinctive and famous and enjoyed such fame well prior to the January 11, 2021 filing date of the Application, and any other date on which Applicant may rely for purposes of priority. Opposer would be further injured by the granting of a certificate of registration for the Disputed Mark because such mark is likely to dilute the distinctive quality of Opposer's UFO Marks and impair the distinctiveness of Opposer's UFO Marks.

WHEREFORE, for all of the foregoing reasons, Opposer has an entitlement to bring a statutory cause of action on the basis that believes that it will be damaged by registration of the Application and respectfully requests that this Opposition be sustained and that the Application for the registration of the mark YFO be refused.
