NOTICE OF OPPOSITION

Notice is given by ZHS IP Americas Sàrl (hereinafter "Opposer"), through its attorney, that it believes that it will be damaged by the registration of the mark shown in U.S. trademark application Serial No. 90/522,420 filed on February 10, 2021 and seeking registration of the mark SOLI (hereinafter "the Application") for goods listed in International Class 033. The Application was filed by Applicant Gamba Vinyards & Winery, LLC (hereinafter "Applicant"), and Opposer hereby opposes the same.

As grounds for this Opposition, Opposer hereby states as follows:

1. Opposer is a limited liability company organized and existing under the laws of Switzerland, with address at Avenue Reverdil 14, 1260 Nyon, Switzerland.
2. The application herein opposed was filed on February 10, 2021 and was published for opposition on April 12, 2022.

3. Opposer, through its affiliates and licensees, operates in the distilled spirits industry as a producer and distiller. Opposer, through its affiliates and licensees, produces and sells alcoholic beverages, namely, vodka, in connection with the use of its marks STOLI discussed further in paragraphs 5 and 6 below.

4. On information and belief, Applicant is a California limited liability company with an address at P.O. Box 578, Fulton, California 95439. Applicant seeks to register the mark SOLI without claim to any particular font style, size, or color, as a trademark for International Class 033 for use in connection with “Alcoholic beverages, except beer” as evidenced in the Application published for opposition on April 12, 2022. On information and belief, Applicant intends to sell alcoholic beverages in connection with its use of the mark made the subject of the Application.

5. Opposer has used the STOLI mark in interstate commerce in the United States in connection with vodka since at least November of 1980. Opposer owns U.S. Trademark registration no. 1,244,735 (hereinafter the “STOLI registration”) granted for the word mark STOLI on July 5, 1983. That STOLI registration is for the word mark STOLI, and Opposer has 24 additional registrations that include the word STOLI. Opposer owns two pending applications seeking registration of marks that include the word STOLI. These 25 registrations are attached, along with information for the two pending applications, as Exhibit “A.” These documents are arranged in Exhibit “A” in reverse chronological order, and the original STOLI registration is the last page

of Exhibit “A.” The 24 registrations owned by Opposer are referred to herein as the 24 additional registrations are referred to herein as “the related registrations.”

6. Opposer’s prior use of the STOLI mark in connection with International Class 033, constitutes *prima facie* evidence of Opposer’s prior ownership of the STOLI mark and Opposer’s exclusive right to use the STOLI mark in commerce and in connection with the goods specified in the STOLI registration and the related registrations, including, but not limited to, those in International Class 033.

7. Opposer has developed extremely valuable goodwill in its STOLI mark by virtue of its longevity of usage in commerce, promotion of its distilled spirits products for an extensive period of time, e.g. more than forty (40) years, and the impeccable quality and excellence of its products sold internationally and in the USA in connection with its use of the STOLI registration. With extensive use by Opposer of its STOLI registration and related registrations, consumers familiar with distilled spirits have come to know and recognize the STOLI registration in connection with quality vodka and related beverages (“Opposer’s Goods”).

8. Based on Opposer’s prior use of the STOLI registration continually since at least as early as 1980 in International Class 033, the Opposer has priority and Opposer’s exclusive rights in and to the STOLI registration and related registrations are superior to that of Applicant.

9. Due to Opposer’s longstanding and continuous use of the STOLI

registration and related marks in connection with Opposer's Goods, the STOLI registration is a mark that has become well known as designating Opposer's Goods.

10. Applicant's mark, SOLI, is confusingly similar to Opposer's STOLI registration and related registrations, as well as the identical nature of the goods (alcoholic beverages) associated therewith. When the Applicant's mark SOLI is applied to goods traveling in the same or similar channels of trade as those sold by Opposer, it so resembles Opposer's STOLI registration and mark that it is likely to be confused therewith and mistaken, and will lead to deception or mistakes as to the origin of Applicant's goods bearing the SOLI mark and vice-versa. Indeed, STOLI and SOLI are almost identical in sound, spelling and commercial impression, and are nearly identical in appearance with only the "T" being removed by Applicant to form its confusingly similar mark. Consumers familiar with Opposer's STOLI registration and mark, and also familiar with Opposer's reputation in the spirits industry, the related registrations, and more generally alcoholic beverages industry, too, would be likely to buy Applicant's products under the mistaken belief that the products are produced and sold by the Opposer, are of identical or similar quality, or that the applicant's mark SOLI is part of the range of the Opposer's STOLI registration and related registrations. According to the Beverage Testing Institute (BTI), STOLI has had and continues to have an impressive run of results from Beverage Testing Institute since its first review in 2006. The following statements about STOLI products performance in BTI reviews are

self-speaking: STOLI has received a 97-point BTI platinum medal every time the brand has been submitted for expert evaluation in BTI vodka competitions, STOLI has won a total of nine 97-point BTI platinum medals in nine distinct BTI vodka competitions up to 2020 included, no vodka brand has ever scored above 97 points in a BTI competition or expert evaluation. Again, STOLI Vodka has received Beverage Testing Institute's (BTI) prestigious 2020 Best Vodka award. This win places STOLI in an esteemed category as a nine-time winner, unbeaten.

11. Applicant's mark SOLI identifies the same category of goods as those of the Opposer, including goods that are identical, very closely related to, and/or similar and which in any event encompass the Opposer's goods identified by the Opposer's STOLI registration and the related registrations.

12. Opposer will be damaged by registration of the SOLI mark by Applicant because such registration would grant to Applicant *prima facie* evidence of the exclusive right to use the mark in conjunction with Applicant's products and such use would be likely to cause confusion or mistake or to deceive as to the affiliation, connection, or association of Applicant with Opposer (where none exists), and/or as to the origin, sponsorship, and approval of Applicant's products and other commercial activities by Opposer (where none exists).

13. Such confusion would cause further irreparable harm to Opposer in that any possible defects or fault found with Applicant's goods or other commercial activities could erroneously be attributed to Opposer, thereby

harming Opposer's reputation and damaging its substantial goodwill in its STOLI mark.

14. Opposer will be damaged by registration of the SOLI mark by Applicant because such registration would grant to Applicant *prima facie* evidence of the exclusive right to use the STOLI mark and/or exclusive right to use a mark including the word STOLI in conjunction with Applicant's goods and such use would cause irreparable harm to the Opposer.

WHEREFORE, Opposer, ZHS IP Americas Sàrl, respectfully requests that the Board deny registration of Applicant, Gamba Vineyards & Winery, LLC's SOLI mark, U.S. Trademark Serial No. 90/522,420, for International Class 033 for "Alcoholic beverages, except beer" and award Opposer all other relief to which it is justly entitled.

This Notice of Opposition is being filed electronically with the United States Patent and Trademark Office Trademark Trial and Appeal Board.
