3. Opposer's Marks are inherently distinctive and serve as a valid source identifier with respect to the goods and services offered and registered in the U.S. by Opposer under Opposer's Marks.
4. Opposer has expended substantial time, money, and effort on Opposer's Marks to develop and preserve the goodwill, common law rights, and registered rights associated therewith.
5. Upon information and belief, California Sunshine Life Products Co., Ltd ("Applicant") is the owner of U.S. Trademark Application Serial No. 90/682,978 for the mark TIENA & Design depicted below ("Applicant's Mark") for use in connection with Class 5: Adult nappies; Baby diapers; Disinfectant wipes; Disposable pet diapers; Disposable sanitizing

wipes; Incontinence diapers; Incontinence guards; Sanitary napkins; Sanitary pads; Sanitary panties (“Applicant’s Goods”). According to publicly available TESS records, Applicant filed this application on April 30, 2021, based on Section 1(a) and claiming a date of first use in commerce of June 18, 2019.

6. On February 8, 2022, the Application was published for opposition. Opposer obtained extensions of time to oppose the Application.
7. Opposer’s common law trademark rights in Opposer’s Marks predate the filing of the Application. The filing dates, and thus constructive priority dates, of Opposer’s Registrations also predate the Application’s filing date.
8. Applicant’s Mark is confusingly similar in appearance, sound, connotation and commercial impression to Opposer’s Marks. The minor textual differences in Applicant’s Mark, and the asserted design element, do not serve to distinguish it from Opposer’s Marks in the minds of consumers.
9. The goods identified in the Application are partially identical, and otherwise overlapping or closely related, to the goods and services identified in Opposer’s Registrations and offered under Opposer’s Marks.
10. The Application does not limit the channels of trade through which Applicant’s Goods are being sold, so they are presumed to travel in all typical channels for those goods. Upon information and belief, Applicant’s Goods are advertised and sold to similar or identical classes of consumers through similar or identical channels of trade as the goods and services identified in Opposer’s Registrations and offered under Opposer’s Marks.
11. Opposer is being damaged by Applicant’s Mark, and will be damaged by registration of the Application, because Applicant’s Mark so resembles Opposer’s Marks as to be likely, when applied to Applicant’s Goods, to cause confusion or mistake or to deceive

consumers by creating the erroneous impression that Applicant's Goods originate with Opposer, or are authorized, licensed, endorsed, sponsored by, or are connected in some way with Opposer. Therefore, the registration thereof by Applicant would be injurious to Opposer.

12. Applicant's use and attempted registration of Applicant's Mark is likely to cause confusion, mistake, or to deceive the public, and to cause the public to believe Applicant's Goods offered under Applicant's Mark emanate from or are otherwise sponsored or endorsed by Opposer in violation of Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d), and therefore should be denied registration.

13. Applicant's use and attempted registration of Applicant's Mark is also likely to cause confusion or mistake with respect to a false affiliation with Opposer and Opposer's Marks and therefore should be denied registration pursuant to Sections 34 and 43 of the Trademark Act. 15 U.S.C. §§ 1114(1) and 1125(a).

WHEREFORE, Opposer prays that Application Serial No. 79/280,478 be rejected; that registration of Applicant's Mark be refused and denied; and that this opposition be sustained in Opposer's favor. Opposer also requests such other and further relief as the Board may deem just and proper.
