APPLICANT'S MOTION TO AMEND

Doomsday Diesel, LLC, through its undersigned counsel, hereby submits its Motion to Amend the Application.

In the present Opposition, Opposer has objected to the registration of Applicant's Mark in Class 025. Applicant requests amendment of the Application to withdraw the claim under Class 025 thereby rendering the opposition moot. Such amendment does not constitute an admission as to any of the allegations in the Opposition and Applicant maintains that registration of the Applicant's Mark in Class 025 remains proper and reserves the right to pursue registration at a future time. Applicant's claims under Classes 007 and 012 which are not subject to this Opposition are maintained.

WHEREFORE, Applicant respectfully requests that the instant Opposition No. 91277038 be dismissed in its entirety, and that registration be granted to Application Serial No. 90851222 upon the Principal Register, and for any other or further relief that may seem just and proper.

Dated: August 8, 2022

Respectfully Submitted,

SUITER SWANTZ PC LLO
