Applicant.	)

NOTICE OF OPPOSITION

1. On December 3, 2020, Carolyn Jardine and Lisa Priolo ("Applicant") filed Application Serial No. 90357187, based on claimed use in commerce since March 15, 2020, for WEARCISCO, for "Coats; Bottoms as clothing; Tops as clothing; Women's clothing, namely, shirts, dresses, skirts, blouses" in International Class 25 ("the Application").

2. Cisco Technology, Inc., a California corporation, having a principal place of business at 170 West Tasman Drive, San Jose, California 95134, is the owner of U.S. trademark registrations for CISCO, CISCO STORE,

, and several CISCO-based marks, as well as common law rights in the CISCO mark and name and its other CISCO-based marks and name (the "CISCO Name and Marks"). Cisco Technology, Inc. uses the CISCO Name and Marks via its parent company Cisco Systems, Inc., and its global affiliates

(collectively "Cisco"). Cisco's rights in the CISCO Name and Marks predate the Application's filing date and claimed first use date listed in the Application. Consumers are likely to be confused as to source by Applicant's registration and use of such a similar mark for highly related if not identical goods, and Cisco's rights in its famous CISCO mark will be diluted. Thus, Cisco, its partners, and the general public will be damaged by the registration of WEARCISCO.

3. The Application was published for opposition in the Official Gazette on January 4, 2022. Cisco requested and was granted an extension of the deadline to oppose the Application until July 3, 2022. This Notice of Opposition is timely filed on July 5, 2022, because July 3, 2022, was a Sunday and July 4, 2022, was a Holiday.

As further grounds for opposition Cisco alleges:

4. Since at least as early as 2006, Cisco has used the CISCO Name and Marks for, among other goods and services, a variety of clothing and clothing accessories, as well as retail store services featuring clothing. Cisco promotes, and intends to promote, its clothing and clothing accessories and related retail services on its website, including through the Cisco Store (see screenshots attached as Exhibit A from Cisco's retail store, https://merchandise.cisco.com/apparel), and through multiple social media accounts and other outlets.

5. Cisco uses and is the owner of several U.S. trademark registrations for the CISCO Name and Marks, including, but not limited to:

Mark	Reg. No.	Full Goods and Services Descriptions	Filing Date	Reg. Date
CISCO STORE	3,716,210	35: Retail store services and temporary retail store services featuring computer hardware, electronics, telecommunications hardware and devices, publications, office supplies, housewares, clothing, and sporting equipment	May 8, 2008	Nov. 24, 2009

Mark	Reg. No.	Full Goods and Services Descriptions	Filing Date	Reg. Date
CISCO	4,035,427	In pertinent part: 9: electronic gift cards 35: On-line retail store services featuring consumer electronic devices and related accessories	Jun. 4, 2009	Oct. 4, 2011
	4,035,428	In pertinent part: 9: electronic gift cards 35: On-line retail store services featuring consumer electronic devices and related accessories	Jun. 4, 2009	Oct. 4, 2011
CISCO	4,005,670	35: Business consulting and information services; business consulting with relation to strategy, technology deployment, sales, and business processes; charitable services, namely, organizing and conducting volunteer programs and community service projects; customer relationship management; energy usage management; energy usage management information services; demand-side management, namely, management of energy consumption by electrical appliances; consultation services in all of the foregoing; information services in the field of energy efficiency; customer service in the fields of telecommunications, computer networking, computer hardware and software and technology	Dec. 17, 2010	Aug. 2, 2011

6. Cisco's registrations for the above CISCO STORE, CISCO and marks, are valid and subsisting and are evidence of Cisco's exclusive rights to use the marks in commerce in connection with the goods and services specified therein. Attached as Exhibit B to this Notice of Opposition is a current printout of information from the electronic database records of the U.S. Patent and Trademark Office showing the current status and title of the above registrations.

7. Cisco's CISCO STORE (Reg. No. 3,716,210), CISCO (Reg. Nos. 4,005,670 and 4,035,427), and (Reg. No. 4,035,428) marks are incontestable, constituting conclusive evidence of the validity of the registered marks, Cisco's ownership of the

registered marks, and Cisco's exclusive right to use the registered marks in commerce as provided in Section 33 of the Lanham Act, 15 U.S.C. § 1115.

8. There is no issue as to priority. As discussed above, the filing dates and/or first use dates of Cisco's registrations for CISCO STORE, CISCO and are before the filing date and/or claimed first use date listed in the Application.

9. Cisco has used the CISCO Name and Marks in connection with its goods and services continuously since at least as early as 1984 for the CISCO marks and since 2006 for the marks. The aforementioned nationwide trademark use of the CISCO Name and Marks by Cisco has been valid and continuous since the date of first use and has not been abandoned.

10. By virtue of Cisco's widespread and continuous use of the CISCO Name and Mark, Cisco has established extensive common law rights in its CISCO Name and Marks in connection with the goods and services offered under those marks.

11. Cisco has used CISCO as or in its company name in connection with its goods and services continuously since at least 1984. Cisco's corporate identity and house brand are CISCO, and Cisco is commercially known as Cisco, Cisco Technology, Inc. or Cisco Systems, Inc. Through its use of its company name and mark, Cisco has established extensive common law rights in its CISCO name and mark.

12. Through Cisco's marketing, promotion, advertising, and commercial activity, the public readily associates the CISCO Name and Marks with Cisco and its goods and services. The CISCO Name and Marks are thus valuable assets of Cisco and symbols of its goodwill. Cisco has also received substantial press regarding its goods and services. Such

publicity further establishes the goodwill and popularity in the CISCO Name and Marks nationwide.

13. As a result of Cisco's widespread and significant popularity, the CISCO mark and name is famous. The CISCO mark and name became famous prior to the filing of the WEARCISCO Application.

14. Cisco is not connected with Applicant or with Applicant's goods; however, Applicant's use of WEARCISCO as a mark is likely to falsely suggest a connection between Applicant and Cisco's trade name and identity because WEARCISCO is confusingly similar to and would be recognized as an approximation of same. Even more, the fame and reputation of Cisco is of such a nature that a connection with Cisco would be presumed when Applicant uses WEARCISCO in connection with its goods. Accordingly, Applicant's confusing use of WEARCISCO uniquely and unmistakably points to Cisco's famous name and identity.

15. WEARCISCO is confusingly similar to the CISCO Name and Marks. WEARCISCO is substantially similar in appearance, sound and overall commercial impression to the CISCO Name and Marks. WEARCISCO fully incorporates Cisco's CISCO mark and name. The prefix WEAR is just a generic descriptor of Applicant's clothing thus, CISCO is the most prominent aspect of the Applicant's claimed mark. As such, confusion is particularly likely because the "CISCO" portion of Applicant's mark directly references Cisco's famous CISCO Name and Marks and suggests that Applicant's goods are rendered or somehow affiliated with Cisco.

16. WEARCISCO is also likely to cause dilution of the distinctive quality of Cisco's famous CISCO mark and name, thereby causing loss, damage, and injury to Cisco and the consuming public.

17. Applicant's goods and Cisco's goods and services are highly related if not identical.

18. In view of the close similarities between the parties' marks, their highly similar and overlapping goods and services, and because the parties' respective goods and services are likely to be marketed to consumers in the same or related channels of trade, Cisco alleges that WEARCISCO so resembles the CISCO Name and Marks as to be likely to cause confusion or mistake or to deceive as to the source, origin or sponsorship of the parties' respective products and services, thereby causing loss, damage, and injury to Cisco and the purchasing public.

19. Cisco believes and therefore alleges that Applicant is not and was not using WEARCISCO in commerce in connection with all of the goods identified in the Application as of the filing date of the use-based Application.

20. By reason of the foregoing, Cisco will be damaged by the registration of the mark shown in the WEARCISCO Application.

WHEREFORE, Cisco prays that this Notice of Opposition be sustained and that the Application be rejected.

Please charge the requisite filing fee for this Notice of Opposition and any additional fees to our Deposit Account No. 50-0261.

Respectfully submitted,
