Opposition No. 91277823

Quanta Associates, L.P.

v.

Hottinger Brüel & Kjaer GmbH

Steven W. Ferrell Jr., Interlocutory Attorney

Applicant's consented motion to suspend, filed April 24, 2024, is noted. Said motion does not include a detailed report on the progress of the parties' settlement discussions, as clearly required by the Board in its December 19, 2023 order.

Inasmuch as the parties did not include the required progress report demonstrating good cause for further suspension, Applicant's consented motion is **denied without prejudice**.

However, inasmuch as the filing of the proposed amendment and motion to suspend indicate to the Board that the parties are making efforts to settle this matter, proceedings remain **suspended**, and the parties are allowed until **ten days from the date of this order** to file a revised motion to amend or a revised motion to suspend including the required progress report, failing which the Board will resume

proceedings and reset dates, and the opposition will go forward on the present application.
