Opposition No. 91278421

RSA Security LLC

v.

NormShield, Inc.

Steven W. Ferrell Jr., Interlocutory Attorney

On April 18, 2023, Applicant filed the parties' joint stipulated proposed amendment to Applicant's involved application Serial No. 90680116. 18 TTABVUE.

By the proposed amendment, Applicant seeks to amend the description of services in International Class 42 as follows (additions indicated in **bold**):

From: Computer security consultation services, namely, cyber risk monitoring services, providing cybersecurity risk scanning, assessment, rating and scoring by means of non-intrusive data gathering; computer security consultation services, namely, identifying and analyzing ransomware attack risk; software as a service (SAAS) services featuring software for use in assessing ransomware attack risk of vendors and trading partners

To: Computer security consultation services, namely, cyber risk monitoring services, **and** providing cybersecurity risk scanning, assessment, rating and scoring by means of non-intrusive data gathering, **all relating to ransomware vulnerability**; computer security consultation services, namely, identifying and analyzing ransomware attack risk; software as a service (SAAS) services featuring software for use in assessing ransomware attack risk of vendors and trading partners

Id. at 2-3.

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

If the amendment resolves this proceeding, Opposer is allowed until **thirty (30) days from the date of this order** to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
