**RE: U.S. Trademark Application Serial No. 88/718,810 (ALL IN! GAMES & Design)**

**Design:**  
Filed: December 16, 2019  
Published: August 9, 2022

**NOTICE OF PARTIAL OPPOSITION**

Opposer, UST-Mamiya, Inc., a corporation organized and existing under the laws of Texas with a business address of 14950 FAA Boulevard, Suite 200, Fort Worth, Texas 76155 (hereinafter “Opposer”), believes that it will be damaged by registration of the mark ALL IN! GAMES & Design (hereinafter, “Applicant’s Mark”) in Application Serial No. 88/718,810 (hereinafter “the Opposed Application”) only in connection with the goods as currently listed in International Class 28, and hereby partially opposes registration thereof pursuant to Section 13 of the Lanham Act (15 U.S.C. § 1063), alleging as grounds for partially opposing the Opposed Application that:

1. Opposer is the current owner of the marks ALL IN and ALL IN & Design (“Opposer’s ALL IN Marks”) for use in connection with “shafts for golf putters.”
2. Opposer is the current owner of the following U.S. trademark applications that include or are comprised of Opposer’s ALL IN Marks:

<b>Trademark</b>	<b>Appl. No.</b>	<b>Full Goods/Services</b>
ALL IN  (hereinafter “the ’621 Application”)	U.S. Appl. No. 90/135,621	International Class 28: shafts for golf putters
ALL IN & Design    (hereinafter “the ’934 Application”)	U.S. Appl. No. 90/135,934	International Class 28: shafts for golf putters

(collectively, “Opposer’s Applications”). Copies of the applications from the electronic database records of the Office (TSDR) showing the current status and title of the Opposer’s Applications are attached collectively as Exhibit A and made of record in this proceeding pursuant to Trademark Rule 2.122(d). The goods covered by Opposer’s Application are collectively referred to as “Opposer’s Goods.”

3. Respective Office Actions dated December 29, 2020, received in each of Opposer’s Applications stated as follows: “The filing date of [the Opposed Application] precedes applicant’s filing date. See attached referenced application. If the mark in the referenced application registers, applicant’s mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion between the two marks.” Thus, registration of the Opposed Application in Class 28 will harm Opposer’s rights in Opposer’s ALL IN Marks.

4. The records of the United States Patent and Trademark Office (“USPTO”) indicate that the Opposed Application is currently owned by All In! Games Spolka Akcyjna, a joint stock company organized and existing under the laws of Poland with a business address of Ul. Grzegorzeczka 67D/26, Krakow, Poland 31-559 (“Applicant”).

5. The records of the USPTO indicate that the Opposed Application was filed on December 6, 2019. A copy of the USPTO TSDR database record for the Opposed Application is attached hereto as Exhibit B.

6. The records of the USPTO indicate that at the time of filing on December 6, 2019, the Opposed Application covered the following goods in Class 28:

“Games and playthings; Gymnastic and sporting articles not included in other classes; Arcade game machines, hand-held computer games, electronic educational teaching games, electronic board games, board games, playing cards, electronic games, hand-held electronic video games, electronic games other than those adapted for use with television receivers only, manipulative logic games,” in Class 28;

(collectively, “Applicant’s Original Class 28 Goods”).

7. The records of the USPTO indicate that at the time of filing on December 6, 2019, Applicant alleged that it was entitled to registration of Applicant’s Original Class 28 Goods based on Section 1(b) Intent to Use (15 U.S.C. § 1051(b)), declaring that as of the application filing date, Applicant had a *bona fide* intention, and was entitled, to use the mark in commerce on or in connection with the identified goods/services in the application; based on Section 44(d) priority based on foreign filing (15 U.S.C. § 1126(d)), declaring that as of the application filing date, Applicant had a *bona fide* intention to use the mark in commerce on or in connection with the identified goods/services and asserted a claim of priority based upon a foreign application, namely, EUTM application number 018097708 (“Applicant’s EU Application”); and further declaring Applicant’s intent to rely on Section 44(e) (15 U.S.C. § 1126(e)) as a basis of registration.

8. The records of the USPTO indicate that on December 17, 2021, Applicant amended the goods in Class 28 of the Opposed Application to the following:

“Action figures; gymnastic and sporting articles, namely, bowling pins, bowling apparatus and machinery, exercise benches, squat machines, trampettes, baseball balls, exercise balls, balls for racket sports, exercise platforms, gymnastic rings,

exercise pulleys, vaulting boxes, gymnastic training stools, beams (gymnastic apparatus), skipping ropes, skateboards, golf clubs, polo mallets, squeezable balls used to relieve stress,” in Class 28;

(collectively, “the Opposed Goods in Class 28”), amended the basis for registration in Class 28 to Section 44(e) based on foreign registration (15 U.S.C. § 1126(e)) by attaching a copy of European Union Trademark - EUTM registration number 018097708 registered 12/14/2019, and declaring that as of the application filing date, Applicant had a *bona fide* intention to use the mark in commerce on or in connection with the identified goods/services, namely, the Opposed Goods in Class 28.

9. The Opposed Application was published for Opposition on August 9, 2022, and the goods in Class 28 at the time of publication are the Opposed Goods in Class 28.

#### **FIRST CLAIM FOR RELIEF**

##### **(Trademark Act Section 44(e): No *bona fide* Intent to Use Mark in Commerce)**

10. Opposer repeats and realleges each and every allegation set forth in the preceding paragraphs.

11. The records of the USPTO indicate that none of the goods listed in Class 28 in the Opposed Application at publication (i.e., the Opposed Goods in Class 28) were specifically listed in the EUTM application number 018097708 submitted by Applicant as a basis for registration under Section 44(d) nor in the EUTM registration number 018097708 submitted by Applicant as a basis for registration under Section 44(e).

12. The records of the USPTO show that none of the goods listed in Class 28 in the Opposed Application at publication (i.e., the Opposed Goods in Class 28) were specifically listed in Class 28 in the Opposed Application when originally filed by Applicant on December 6, 2019.

13. Upon information and belief, Applicant had no *bona fide* intention to use Applicant's Mark in commerce on or in connection with the Opposed Goods in Class 28 at the time of filing the Opposed Application.

14. Upon information and belief, at the time of filing the Opposed Application, Applicant had no projected date of first use in commerce for Applicant's Mark in connection with the specific goods comprising the Opposed Goods in Class 28.

15. Upon information and belief, at the time of filing the Opposed Application, Applicant had not performed market research or otherwise identified specific channels of trade, classes of consumers, and/or geographic areas of sales in the United States for the specific goods comprising the Opposed Goods in Class 28.

16. Upon information and belief, at the time of filing the Opposed Application, Applicant had not secured investors, bank loans, lines of credit, or other financing arrangements required to engage in commerce with the specific goods comprising the Opposed Goods in Class 28.

17. Upon information and belief, at the time of filing the Opposed Application, Applicant had not acquired or leased real property, nor made substantial preparation to identify and secure suitable real property, for locations to engage in commerce with the specific goods comprising the Opposed Goods in Class 28.

18. Upon information and belief, at the time of filing the Opposed Application, Applicant had not purchased, leased, or otherwise acquired, nor made substantial preparations to purchase, lease, or otherwise acquire equipment, fixtures, and/or supplies necessary to engage in commerce with the specific goods comprising the Opposed Goods in Class 28.

19. Upon information and belief, at the time of filing the Opposed Application, Applicant had not entered into contracts with, nor otherwise established commercial relationships with suppliers, vendors, distributors, wholesalers, retailers, and/or other entities necessary to engage in commerce with the specific goods comprising the Opposed Goods in Class 28.

20. Upon information and belief, at the time of filing the Opposed Application, Applicant had not developed marketing or promotional materials bearing Applicant's Mark in connection with the specific goods comprising the Opposed Goods in Class 28.

21. Upon information and belief, at the time of filing the Opposed Application, Applicant had not identified or hired, nor made substantial preparations to identify or hire executives, managers, and/or employees to engage in commerce with the specific goods comprising the Opposed Goods in Class 28.

22. Upon information and belief, at the time of filing the Opposed Application, Applicant had no *bona fide* intent to use Applicant's Mark in commerce on or in connection with the specific goods comprising the Opposed Goods in Class 28, therefore, Applicant is not entitled to priority to the filing date of the registration of Applicant's Mark for the specific goods comprising the Opposed Goods in Class 28 (15 U.S.C. § 1126(e)).

WHEREFORE, Opposer respectfully prays for judgement sustaining this partial opposition and refusing registration of the mark shown in the Opposed Application for the Opposed Goods in Class 28.
