BrightView LLC Opposer, v. BrightView Behavioral Health Center, Inc., Applicant.	Opposition No. 91281647 Application No. 97/184,155 Published: November 1, 2022

DECLARATION AND WRITTEN TESTIMONY OF CHAD SMITH

I, Chad Smith, declare, testify, and state as follows:

1. I am Chad Smith, Chief Executive Officer, BrightView LLC (hereinafter "Opposer"), a company existing under the law of the State of Delaware, with a place of business at 446 Morgan Street, Cincinnati, Ohio 45206. I have knowledge, either personally or through a review of the company records in my possession or control and/or company records to which I have access as part of my business responsibilities, of the matters set out herein.

2. I have been associated with Opposer since its inception. I was involved in the development and formation of Opposer.

3. Attached hereto as Exhibit 1 (BVLIT 274 – BVLIT 277) is a true and accurate copy of logo design services that my colleague, Dr. Shawn Ryan, and I retained in connection with our use of the term "BrightView." This occurred in June 2014, as demonstrated by Exhibit 1.

4. Attached hereto as Exhibit 2 (BVLIT 356 – BVLIT 364) are true and accurate copies of Opposer business records, including email correspondence and a draft agreement

relating to the formation of Opposer, dated June 2014. These records demonstrate that the term "BrightView" was being used by Opposer at that time.

5. Attached hereto as Exhibit 3 (BVLIT 271 – BVLIT 273) is a true and accurate copy of the GoDaddy receipt I received in September 2014 relating to the formation of Opposer, and the acquisition of the domain name "brightviewhealth.com."

6. Attached hereto as Exhibit 4 (BVLIT 299 – BVLIT 303) are true and accurate copies of Opposer business records, including a balance sheet that is dated December 2014 and a check that is dated December 2014. These records demonstrate that the term "BrightView" was being used by Opposer publicly, in the United States, at that time.

7. Attached hereto as Exhibit 5 (BVLIT 278 – BVLIT 288, BVLIT 290 – BVLIT 298, and BVLIT 304) are true and accurate copies of invoices for services obtained and used by Opposer. These invoices for services demonstrate that the term "BrightView" was being used by Opposer publicly, in the United States, at the time the services were rendered, including Time Warner Cable services in March 2015, insurance services in January 2015, utility services in April 2015, legal services in December 2014, and tax services in December 2014.

8. Attached hereto as Exhibit 6 (BVLIT 289) is a true and accurate copy of a record from the Ohio Department of State demonstrating that "BrightView, LLC" was formed in October 2014.

9. At least as early as 2015, Opposer began using the word mark BrightView ("Opposer's Mark" or "BrightView Mark") in connection with the marketing and sale of behavioral health services, including addiction treatment services ("Opposer's Services"), publicly, in the United States.

10. Sales and marketing of Opposer's Services bearing the BrightView Mark have been continuous since that time, throughout the United States, and continues to the present day. As a result of Opposer's lengthy and widespread sales and marketing, Opposer has developed strong common law rights to its BrightView Mark throughout the United States for use with behavioral health services, including addiction treatment services.

11. Opposer markets and offers for sale Opposer's Services bearing the BrightView Mark to and throughout the United States, and targets all potential patients who may require Opposer's Services. A summary of the number and location of Opposer's patients in the United States who have used Opposer's Services bearing the BrightView Mark is attached as Exhibit 7, and include clients located in Ohio, Kentucky, Delaware, Connecticut, North Carolina, Massachusetts, Maryland, Arizona, and Virginia, as demonstrated by Opposer's business records attached hereto as Exhibit 7 (BVLIT 391 – BVLIT 401, and particularly at BVLIT 393, BVLIT 395 - BVLIT 398, and BVLIT 401). These business records of Opposer demonstrate that since at least 2015, Opposer has served tens of thousands of patients, through more than a million medical and clinical service hours, through nearly 100 facilities, in connection with the BrightView Mark.

12. Opposer also has prepared plans to expand its offerings to other states, for example Colorado, New Mexico, New Jersey, Indiana, Georgia, New York, Pennsylvania, California, West Virginia, and Tennessee, as demonstrated by Opposer's business records attached hereto as Exhibit 8 (BVLIT 372 - BVLIT 390) and Exhibit 7 (BVLIT 391 – BVLIT 401, and particularly at BVLIT 391 – BVLIT 392, and BVLIT 394 – BVLIT 401).

13. Opposer markets and offers for sale Opposer's Services bearing the BrightView Mark directly to a wide variety of patients located in the United States through either direct

inquiries or through Opposer's website located at brightviewhealth.com. A true and accurate copy of Opposer's website is attached to Opposer's Notice of Reliance as Exhibit 2 (BVLIT 232 – BVLIT 241 and BVLIT 436 – BVLIT 485). Opposer has operated this website, using the BrightView Mark, since at least as early as 2015 and used the BrightView Mark publicly since that time and continuously to the present, as is demonstrated by Exhibit 2 of Opposer's Notice of Reliance.

14. Opposer has also received numerous instances of unsolicited third-party media throughout the United States. True and accurate copies of third-party media are attached as Exhibit 3 to Opposer's Notice of Reliance. This third-party media attention shows Opposer's public use of the BrightView Mark, and recognition by third-parties of Opposer's public use of the BrightView Mark, as early as January 2018.

15. Behavioral health services, including addiction treatment services, are utilized by patients of all ages, backgrounds, levels of education, and sophistication. Opposer markets its services to, and serves, a wide range of prospective and current patients, including clients as young as 18 years of age and having widely divergent employment statuses, backgrounds, family relationships, levels of education, and degrees of sophistication. Attached hereto as Exhibit 9 (BVLIT 370 – BVLIT 371) is a true and correct copy of an Opposer business record that summarizes the ages of clients that Opposer has served and continues to serve. In many instances, Opposer's patients seek out and obtain Opposer's Services when time is extremely of the essence and during periods of mental, physical, and emotional distress. Delays in the acquisition and provision of Opposer's Services, or confusion as to the provider of such services, can have serious mental, physical, and emotional repercussions for prospective and current patients.

16. Opposer serves its clients through numerous facilities bearing the BrightView Mark. Attached hereto as Exhibit 10 (BVLIT 433 – BVLIT 435) is a true and correct copy of an Opposer business record that summarizes the facilities and locations through which Opposer services its clients. This business record shows Opposer's use of the BrightView Mark at its facilities at least as early as July 2016. Each and every facility identified prominently bears and operates under the BrightView Mark, which can be seen in representative photographs of Opposer's facilities appearing in Exhibit 3 of the Declaration of Colin Jeffries, particularly at BVLIT 250, BVLIT 251, and BVLIT 252.

17. Opposer serves its clients through offering of behavioral health services. Attached hereto as Exhibit 11 (BVLIT 486 – BVLIT 490) are a true and correct copies of certifications from the State of Ohio and the Commonwealth of Kentucky that Opposer's business includes behavioral health services.

18. Addiction treatment services, provided by Opposer under the term "BrightView," falls within behavioral health services, or they are at least related fields. I have personal knowledge regarding this fact, based on my years of working in these fields, including in connection with my employment with Opposer under the term "BrightView."

I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

RE: License 800370

Dear Mr. Smith:

The Office of Inspector General within the Cabinet is responsible for issuing licenses to providers of health services.

Enclosed you will find a license for your Behavioral Health Services Organization. We suggest that you have the license framed with a glass cover. State regulations require that your license be posted in a conspicuous place in a public area of your agency.

If you have any questions, please contact Shelley Singleton at (270) 889-6052, or by email to shelley.singleton@ky.gov.

Sincerely,

Adam Mather
Inspector General
