

ESTTA Tracking number: **ESTTA1247051**

Filing date: **11/09/2022**

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Notice of Opposition

Notice is hereby given that the following party opposes registration of the indicated application.

Opposer information

Name	EverCommerce Solutions Inc. d/b/a PaySimple, Inc.
Granted to date of previous extension	11/09/2022
Address	3601 WALNUT ST., STE 400 DENVER, CO 80205 UNITED STATES
Party who filed extension of time to oppose	PaySimple, Inc.
Relationship to party who filed extension of time to oppose	PaySimple, Inc. officially changed its name to EverCommerce Solutions Inc. in December 2020 and properly recorded this name change with the USPTO Assignment Division on December 21, 2020, at Reel/Frame No. 007141/0847-52. EverCommerce Solutions Inc., the Opposer in this proceeding, is continuing to do business as "PaySimple, Inc." and this d/b/a is reflected in the USPTO records for the trademark registrations cited in Paragraph 4 of the Notice of Opposition. The extensions of time to oppose the PRICESIMPLE mark application were inadvertently filed in the name of Opposer's formal d/b/a (PaySimple, Inc.), rather than in the name of Opposer itself. This scrivener's error has been corrected in the Notice of Opposition and the accompanying documents filed with the Board.

“PAYSIMPLE Mark”), which PaySimple has used continuously in United States commerce since at least as early as 2006 in connection with various payment management and processing services and solutions, as well as related products.

2. PaySimple is also the owner of all rights in and to several other SIMPLE-formative marks, including but not limited to the marks BILLSIMPLE, BOOKSIMPLE, and INVOICE SIMPLE, both standing alone and in combination with other terms and/or design elements (collectively with the PAYSIMPLE Mark, the “SIMPLE Marks”), which PaySimple has used continuously in United States commerce since at least as early as 2012 in connection with various payment management and processing services and solutions, as well as related products.

3. As a result of PaySimple’s long and continuous use of its SIMPLE Marks in connection with various payment management and processing services, solutions, and products, and as a result of PaySimple’s advertising and promotion of its services and goods under its SIMPLE Marks, the consuming public has come to recognize each of the SIMPLE Marks as belonging to PaySimple, and associates and identifies the services and goods offered under the SIMPLE Marks with PaySimple. PaySimple consequently derives invaluable goodwill from this recognition, association, and identification by the consuming public.

4. In addition to its strong common law rights in its SIMPLE Marks, PaySimple is the owner of several United States federal registrations of the SIMPLE Marks, including but not limited to the following registrations (the “PaySimple Registrations”):

Mark	Reg. No.	Reg. Date	Goods and/or Services

PAYSIMPLE	5912838	11/19/2019	<p>Class 9: Downloadable mobile applications for processing credit card payments, processing debit card payments, processing ACH e-check payments, creating and managing recurring payment schedules and payment plans, entering and managing orders, and managing customer accounts; Downloadable computer application software for mobile phones, namely, software for use in point of sale retail and field service card-present credit card and debit card payment processing and key-entered one-time and recurring payment processing for credit cards, debit cards, and ACH debits to bank accounts; Downloadable computer application software for mobile phones, mobile devices, and other tablets, namely, software for use in point of sale, field service, and office environments for credit card, debit card, and ACH payment processing, creating and managing recurring payment and payment plan schedules, entering and managing orders, and managing customer accounts</p>

Mark	Reg. No.	Reg. Date	Goods and/or Services
INVOICE SIMPLE	6221204	12/15/2020	<p>Class 9: Downloadable computer application software for mobile phones, namely, software for preparing, sending, and managing invoices and estimates; Downloadable software in the nature of a mobile application for preparing, sending, and managing invoices and estimates</p> <p>Class 42: Providing temporary use of non-downloadable computer software for preparing invoices over computer networks, intranets and the internet; Software as a service (SAAS) services featuring software for preparing, sending, and managing invoices and estimates</p>

5. The PaySimple Registrations are valid and subsisting, and four of the six registrations have been registered on the Principal Register for more than five years.

6. In accordance with 37 C.F.R. § 2.122(d)(1), certificates of registration and electronic copies of records from the U.S. Patent and Trademark Office’s (“USPTO”) online TSDR database, demonstrating the current status and title of each of the PaySimple Registrations, are attached as **Exhibits 1-6**.

7. Because of the distinctiveness of each of the SIMPLE Marks, the length of time and extent to which PaySimple has used the SIMPLE Marks, the advertising and publicity the SIMPLE Marks have received, the substantial trading area in which the SIMPLE Marks are used, and the high degree of consumer recognition of the SIMPLE Marks, the SIMPLE Marks are well-known and strong marks, deserving of a broad scope of legal protection.

8. On September 3, 2021, Applicant filed an intent-to-use application with the USPTO to register Applicant’s Mark in standard character format for “providing electronic processing of credit card and debit card payments; merchant services, namely, payment transaction processing services” in International Class 36.

9. The services encompassed by the Application are identical to, and/or directly overlapping with, the services and goods that PaySimple currently provides in commerce in connection with its SIMPLE Marks.

10. The services encompassed by the Application are likewise identical to, and/or directly overlapping with, the services and goods PaySimple provided for years in commerce in connection with its SIMPLE Marks prior to any actual or constructive use date of Applicant's Mark.

11. Moreover, the services recited in the Application are identical to, and/or directly overlapping with, the services and goods identified in the PaySimple Registrations.

12. Applicant's Mark is highly similar in sight, sound, appearance, and commercial impression to the SIMPLE Marks and to the marks shown in the PaySimple Registrations.

13. Indeed, Applicant's Mark – PRICESIMPLE – consists of the same naming convention as PaySimple's family of SIMPLE Marks, combining a term associated with finances with the term SIMPLE (e.g., PAY + SIMPLE vs. PRICE + SIMPLE).

14. Applicant had constructive knowledge of PaySimple's SIMPLE Marks prior to selecting Applicant's Mark.

15. Applicant had constructive knowledge of PaySimple's SIMPLE Marks prior to filing the Application.

16. On information and belief, Applicant had actual knowledge of PaySimple's SIMPLE Marks prior to selecting Applicant's Mark.

17. On information and belief, Applicant had actual knowledge of PaySimple's SIMPLE Marks prior to filing the Application.

18. PaySimple's rights in each of its SIMPLE Marks predate Applicant's use, actual or constructive, of Applicant's Mark.

19. PaySimple will be damaged by registration of Applicant's Mark because the mark so resembles the SIMPLE Marks, and the marks shown in the PaySimple Registrations, as to be likely to cause confusion, mistake, and/or deception.

20. Persons familiar with the SIMPLE Marks and the services offered and goods sold under the SIMPLE Marks would be likely to believe, erroneously, that Applicant's services are the services of PaySimple or are authorized, endorsed, sponsored, or licensed by PaySimple.

21. Thus, registration of Applicant's Mark on the Principal Register would be inconsistent with PaySimple's strong prior rights in its SIMPLE Marks and would be in violation of 15 U.S.C. §§ 1052(d) and 1063.

22. PaySimple therefore requests that Application Serial No. 97011437 be refused in its entirety and that no registration issue to Applicant, and, further, that this Opposition be sustained in favor of PaySimple.

This 9th day of November, 2022.

Respectfully submitted,

/Sabina A. Vayner/
