CONSOLIDATED NOTICE OF OPPOSITION

Weatherford Technology Holdings, LLC (“Weatherford”), a limited liability company organized and existing under the laws of the state of Delaware, having its principal place of business at 2000 St. James Pl., Houston, Texas 77056, believes that it will be damaged by registration of the marks identified above, and hereby opposes same under the provisions of 15 U.S.C. § 1063. As grounds for opposition, Weatherford asserts that:

WEATHERFORD AND ITS ELIMINATOR MARK

5. Weatherford has used the mark ELIMINATOR for almost 25 years in connection with a line of machine tools for use in construction, maintenance, and repair of oil and gas wells (the“ELIMINATOR Mark”).

6. Weatherford’s use of its ELIMINATOR Mark has been continuous and extensive.

7. Weatherford's ELIMINATOR Mark is inherently distinctive. As a result of Weatherford's use and promotion of its ELIMINATOR Mark, the mark has become distinctive and widely recognized by consumers and businesses. Weatherford has invested in marketing under its ELIMINATOR Mark, promoting its products through trade magazines, industry conferences, distribution of technical specification sheets, and the internet. Due to Weatherford's marketing and sales success, the ELIMINATOR Mark are strongly identified by the consuming public with Weatherford and its goods and services.

8. In addition to its common-law rights, Weatherford is the owner of United States Trademark Registration No. 2658953, issued December 10, 2002, for its ELIMINATOR Mark in connection with "machine tools for use in construction, maintenance and repair of oil and gas wells, namely, milling machine tools to remove debris downhole by grinding or cutting" in International Class 7. A printout from the TSDR database showing status and title for this registration is attached as **Exhibit A**. Registration No. 2658953 is valid and subsisting, and incontestable pursuant to 15 U.S.C. § 1065.

APPLICANT, THE APPLICATION, AND APPLICANT'S MARK

9. On information and belief, Gas Lock Eliminator, LLC (the "Applicant") is a Texas limited liability company with an address of 177 West Loop South, Suite 1180, Houston, Texas 77027.

10. Applicant filed U.S. Serial No. 90828958 for the mark GAS LOCK ELIMINATOR & Design on July 14, 2021, and U.S. Serial No. 97208433 for the mark GAS LOCK ELIMINATOR on January 7, 2022 (the "Applications"). Together, the marks covered by the Applications are referred to as "Applicant's Marks." At time of publication, the Applications cover "Electric pumps for moving submersed fluid in pipe from bottom hole to the surface" in

International Class 7 (“Applicant’s Goods”).

11. The Applicant claims a bona fide intention to use Applicant’s Marks in commerce.

12. On information and belief, and as admitted in the prosecution of Applicant’s Marks, Applicant intends to use Applicant’s Goods in connection with the oil and gas industry.

13. Applicant has disclaimed the wording “GAS LOCK” from both of the Applications, indicating that “ELIMINATOR” is the dominant portion of both of Applicant’s Marks.

COUNT I: PRIORITY AND LIKELIHOOD OF CONFUSION

14. There is no issue as to Weatherford’s priority. Weatherford’s first use in commerce of its ELIMINATOR Mark precedes Applicant’s claimed first use of Applicant’s Marks and the filing dates of the Applications.

15. Applicant’s Marks so resemble Weatherford’s ELIMINATOR Mark as to be likely, when used in connection with Applicant’s Goods, to cause confusion, or to cause mistake, or to deceive. Purchasers and prospective purchasers are likely to believe that the goods offered under Applicant’s Marks are sponsored, endorsed, approved, or licensed by Weatherford, or are in some way affiliated, connected, or associated with Weatherford or its goods and services. Registration should therefore be refused under 15 U.S.C. § 1052(d).

16. Applicant’s STOP LOCK ELIMINATOR mark incorporates the entirety of Opposer’s ELIMINATOR Mark.

17. Weatherford has not given Applicant permission or approval to use or register Applicant’s Marks.

18. Registration of Applicant’s Marks would damage Weatherford because purchasers are likely to attribute the source or sponsorship of Applicant’s Goods offered under that mark to

Weatherford.

DAMAGE TO WEATHERFORD

19. Registration of Applicant's Marks would damage Weatherford because it would confer upon Applicant statutory presumptions to which it is not entitled in view of Weatherford's prior use and registration of its famous ELIMINATOR Mark.

CONCLUSION

Weatherford prays that Application Serial Nos. 90828958 and 97208433 be rejected, and that registration of the marks therein be refused.

This Notice of Opposition is being filed electronically, along with the filing fee required by 37 C.F.R. § 26(a)(17).
