Opposition before the USPTO. Opposer's Notice of Opposition seeks to oppose Bombarda Rum USA Inc.'s ("Bombarda Rum") application for the Drake Rum Mark. On March 28, 2023, Bombarda Rum was granted an Extension of Time. To be sure, Bombarda Rum has not yet responded to Opposer's Notice of Opposition, thus leaving Opposer with enough of time to obtain new counsel for this matter. Accordingly, Opposer will not be unduly burdened or prejudiced as a result of the withdrawal.

Opposer has been provided all papers and property in the attorney's file concerning the prosecution of Opposer's various marks. On April 10, 2023, in the termination of representation letter (the "letter") to Opposer, Opposer was provided all papers and property in the attorney's file concerning the prosecution of Opposer's various marks. In the letter, Opposer was also provided information concerning any responses that may be due, and of the deadline for those response.

Accordingly, because my office no longer represents Opposer, because Opposer will not be unduly burdened or prejudiced, and because Opposer has received all papers and property in the attorney's file concerning the prosecution of Opposer's various marks along with information concerning any responses that may be due, and of the deadline for those response, I respectfully request that the Commission grant this request to withdraw as the Attorney of Record for Opposer.

Respectfully,

CHRISTENSEN LAW OFFICE PLLC
