Opposition No. 91283595

SDI Presence LLC

v.

Sentient Digital, Inc.

By the Trademark Trial and Appeal Board:

On August 11, 2023, the parties' filed a proposed amendment to application Serial No. 90788093 and Opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment. 9 TTABVUE.

By the proposed amendment, Applicant seeks to amend the identification of services in International Classes 35 and 42 as follows:¹

International Class 35

From: Business consultation in the field of enterprise architecture development for governmental entities; business project management consulting services for governmental entities

To: Business consultation in the field of enterprise architecture development for **federal** governmental entities **in the defense sector**; business project management consulting services for **federal** governmental entities **in the defense sector**

¹ The bold wording indicates the proposed language to be added to the identification.

International Class 42

From: Software systems engineering for governmental entities, cybersecurity services in the nature of restricting unauthorized access to computer systems for governmental entities, software engineering for governmental entities, software development for governmental entities, design and development of software and hardware for digital signal processing for defense for governmental entities, IT project management consulting services for governmental entities

To: Software systems engineering for **federal** governmental entities **in the defense sector**, cybersecurity services in the nature of restricting unauthorized access to computer systems for **federal** governmental entities **in the defense sector**, software engineering for **federal** governmental entities **in the defense sector**, software development for **federal** governmental entities **in the defense sector**, design and development of software and hardware for digital signal processing for defense for **federal** governmental entities **in the defense sector**, IT project management consulting services for **federal** governmental entities **in the defense sector**

The amendment is limiting in nature, as required by Trademark Rule 2.71(a).

Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
