Opposition No. 91284465

Strands Hair Care, Inc.

v.

Straand Pty Ltd

Rebecca Stempien Coyle, Interlocutory Attorney:

Proceedings are suspended pending disposition of Opposer's motion, filed August 22, 2023, to compel initial disclosures and supplemental discovery responses, except as discussed below. The parties should not file any paper that is not germane to the motion to compel. *See* Trademark Rule 2.120(f)(2).

The parties may not serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of the motion to compel disclosure or discovery shall not toll the time for a party to comply with any initial disclosure requirement, or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition. If the motion to compel was filed after the close of discovery, the parties need not make pretrial disclosures until directed to do so by the Board. *See* Trademark Rule 2.120(f)(2); TBMP § 523.01.

The motion to compel will be decided in due course.
