Opposition No. 91284718

Barclays PLC

v.

Ryz Labs LLC

By the Trademark Trial and Appeal Board:

On August 22, 2023, in response to the Board's August 5, 2023 order denying Applicant's proposed amendment, Applicant filed the parties' revised consent motion with a proposed amendment to involved application Serial No. 90749335, and the withdrawal of the opposition without prejudice contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the descriptions of services as follows (~~striketrough~~, and additions are indicated in **bold** font):

International Class 35

From: Providing on-line back office functions for freelancers, ~~start-ups~~, and existing businesses to perform on-line work functions

To: Providing on-line back office functions for freelancers and existing businesses to perform on-line work functions

International Class 42

From: Computer services, namely, providing an on-line virtual ~~work space~~ environment for freelancers, ~~start-ups~~, and existing businesses to perform on-line work functions; ~~Providing on-line virtual work space,~~ ~~namely,~~ providing **an on-line work environment comprising a** web site featuring technology that enables freelancers, ~~start-ups~~ and existing businesses to perform **work and** business functions and transactions

To: Computer services, namely, providing an on-line virtual environment for freelancers and existing businesses to perform on-line work functions; providing an on-line work environment comprising a web site featuring technology that enables freelancers and existing businesses to perform work and business functions and transactions

The proposed amendments are limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered.

See Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice in accordance with the agreement between the parties.
