2. **Legal Consultation**: I am in the process of securing a new legal counsel to assist with this matter. More time is required to finalize these arrangements and to allow my attorney to review the case details and formulate an appropriate response.

3. **Document Preparation**: I considered representing myself to convey to the judge the importance of this trademark to me and my mother. However, I recognize that a highly skilled professional is better suited for this situation. Gathering and preparing all necessary documentation and evidence to support my position is taking longer than anticipated. An extension will allow me to compile a thorough and accurate submission.

I respectfully request that the Trademark Trial and Appeal Board grant a 30-day extension from the current deadline. This extension will ensure that my response is both thorough and well-prepared, thereby facilitating a more efficient and fair resolution of the dispute.

Thank you for your consideration. Please let me know if any additional information is required to process this request. I can be reached at (617) 852 1668 or grace.fu@monsters-club.com.

Sincerely,

Grace Tingting Fu
