**MOTION ON CONSENT TO AMEND APPLICATION
AND, IF ACCEPTED, TO WITHDRAW THE OPPOSITION ON CONSENT
AND MOTION TO SUSPEND**

Pursuant to Rule 2.133 of the Trademark Rules of Practice and TBMP 514.02, Opposer, with Applicant’s consent, respectfully requests that Application Serial No. 97/218,815 be amended by **adding** to the description of services the terms in bold font below:

Business consultancy, **namely providing business consultancy services concerning operational foundations, systems design, strategic decision making, opportunity analysis, communications and economic strategies, all of the foregoing services not in connection with incubator or accelerator services or targeted specifically to fintech companies or the fintech industry.**

It is respectfully submitted that the requested amendment narrows rather than broadens the scope of the services in the application and thus does not require republication of the application in the *Official Gazette*.

This amendment is made pursuant to an agreement between Opposer and Applicant, each of whom has consented to the amendment.

If the amendment is approved by the Board, Opposer, with Applicant's consent, requests that the opposition be withdrawn without prejudice.

Finally, the parties request the Board suspend the opposition pending consideration of this motion by the Board.

CONCLUSION

Based on the foregoing, Opposer respectfully requests that the Board grant this request to amend in its entirety. If granted, Opposer respectfully requests that the opposition be withdrawn without prejudice. The parties respectfully request the Board stay the opposition pending its determination on the instant motion.
