Applicant)	

NOTICE OF OPPOSITION

Sharp Kabushiki Kaisha TA Sharp Corporation, a Japanese corporation having its principal place of business at 1 Takumi-cho, Sakaiku, Sakai City, Osaka, JAPAN 590-8522 (hereafter "Opposer"), believes that it will be damaged by registration of the mark shown in Application Serial No. 97387974, filed April 29, 2022, and hereby opposes the same.

The grounds are as follows:

1. Shenzhenshixiawenkejiyouxiangongsi (hereafter "Applicant") is the record owner of United States Trademark Application Serial No. 97387974, filed November April 29, 2022, seeking registration of the trademark SHARPWITNESS for *body cameras; camera mounts and supports; camera straps; car video recorders; dashboard cameras; mounting devices for cameras and monitors; personal video recorders (PVRs); time lapse digital cameras for viewing plant growth; video recorders; wearable cameras* in Class 9 (hereafter "Applicant's goods"). The application is based on

Applicant's alleged use of the mark in commerce since December 20, 2021, pursuant to Section 1(a) of the Trademark Act.

2. Long prior to the filing date of Application Serial No. 97387974 on April 18, 2022 and Applicant's alleged date of first use in commerce of December 20, 2021, Opposer adopted and began using in commerce the mark SHARP, alone and/or in combination with other words and designs, for a wide range of electronic products and components, including video cameras, camera modules, digital still cameras, telecameras, camcorders, video recorders, projectors, smart phones, robots with video cameras, and liquid crystal display (LCD) monitors (hereafter "Opposer's goods").

3. Opposer is the owner of the entire right, title and interest in and to the mark SHARP for use in connection with Opposer's goods.

4. By virtue of its long, exclusive, and continuous use of the mark SHARP, alone and in combination with other words and/or design elements (hereafter collectively the "SHARP marks"), Opposer has acquired and is the sole owner of substantial common law trademark rights with respect to Opposer's goods, as well as related goods and services. Furthermore, due to the extensive nature of the sale and advertisement of Opposer's goods, Opposer's SHARP mark has become famous in the United States and throughout the world to both actual and potential customers. In other words, the SHARP mark is an internationally famous mark that is well known not only in the United States but also all over the world with respect to Opposer's goods.

5. In addition to its substantial common law rights, Opposer is the exclusive owner of the following federal registrations, among others, directed to the SHARP marks, as well as registrations of other marks for cameras and related goods. Printouts

from the USPTO TSDR database evidencing the current status and ownership of these registrations and applications are annexed hereto as Opposer's Exhibit A:

- (a) Reg. No. 2967565 of the mark SHARPVISION for *LCD monitors, plasma displays, etc.* (Class 9), dated July 12, 2005.
- (b) Reg. No. 3192891 of the mark SHARP for *liquid crystal display monitors* (Class 9), dated Jan. 2, 2007.
- (c) Reg. No. 3870739 of the mark SHARP for *liquid crystal displays, etc.* (Class 9), dated Nov. 2, 2010.
- (d) Reg. No. 5336423 of the mark SHARP for *self-propelled security systems in the nature of robots with video surveillance cameras, chemical sensors, loudspeakers and burglar alarms; video surveilling cameras, etc.* (Class 9); and *repair and maintenance services for self-propelled security systems in the nature of robots with video surveillance cameras; repair and maintenance services for video surveillance cameras, etc.*" (Class 37), dated November 14, 2017.
- (e) Reg. No. 6841959 of the mark SHARP for *digital mirror system for vehicles comprised of interior video monitors and exterior cameras; rearview mirror-mounted video monitors for vehicles; rearview video monitors and cameras for vehicles; cameras for vehicles; video cameras for vehicles; video displays for vehicles; video monitors for vehicles; LCD displays for vehicles; event recorders in the nature of electronic black boxes for recording vehicle data; video recorders for automobiles; navigational apparatus for automobiles; navigation apparatus for vehicles in the nature of on-board computers; radio communication machines and apparatus for land vehicles; vehicle radios; laboratory robots; security surveillance robots; teaching robots; humanoid robots with artificial intelligence; telepresence robots* (Class 9), etc., dated Sept. 22, 2022.
- (f) Reg. No. 6375562 of the mark SHARP 8K LABS for *camcorders; LCD television receivers; television receivers; optical disk recorders; hard disc recorders; LCD monitors; smart phones; network routers, wireless routers; WAN routers; software for producing, recording and processing audio and visual data; microphones; video cameras; telecameras; television broadcasting equipment; personal computers; table computers, etc.* (Class 9), etc., dated June 8, 2021.

6. The registrations set forth in Paragraph 5 above are *prima facie* evidence of the validity thereof, Opposer's ownership and exclusive right to use Opposer's SHARP

marks in commerce and are constructive notice of Opposer's ownership thereof, all as provided by §§ 7(b) and 22 of the Trademark Act of 1946. As Opposer's right to use the SHARP mark shown in Registration No. 2967565, 3192891 and 3870739 has become incontestable, those registrations are conclusive evidence of Opposer's right to use said marks in commerce on the goods specified in the registration, as provided by §§ 15 and 33(b) of the Trademark Act of 1946.

7. On information and belief, Applicant did not commence use of the mark SHARPWITNESS anywhere prior to October 25, 2021, and did not commence use of the mark in commerce prior to Dec. 20, 2021.

8. On information and belief, Applicant knew or should have known of Opposer's long prior use and registration of its SHARP marks covering a wide variety of electronic products and related goods and services, including video cameras, camera modules, digital still camera, camcorders, video recorders, projectors, smart phones, and liquid crystal displays and monitors at the time that Applicant adopted the mark SHARPWITNESS, commenced use of the mark SHARPWITNESS and filed Application Serial No. 97387974 seeking to register the mark SHARPWITNESS.

9. The dominant portion of Applicant's mark SHARPWITNESS is "SHARP." Applicant has used Opposer's famous SHARP mark as the first word and dominant portion of its mark, merely adding the highly suggestive word "WITNESS" after the word "SHARP," resulting in a mark which is visually and phonetically similar to Opposer's SHARP marks such that the marks create very similar commercial impressions.

10. Opposer's goods promoted and sold under its SHARP marks and Applicant's goods sold under the mark SHARPWITNESS are very similar or closely related,

overlapping products, and/or complementary products which are or are likely to be offered through the same or overlapping channels of trade to the same or overlapping classes of purchasers so that purchasers, prospective purchasers, users and others are likely to be confused, mistaken or deceived into the belief, contrary to fact, that Applicant's goods offered under the mark SHARPWITNESS emanate from and/or are in some way sponsored or approved by Opposer or are otherwise related to Opposer's goods offered under the SHARP marks, thereby damaging Opposer.

11. In view of the foregoing, the registration of the mark SHARPWITNESS by Applicant is likely to injure and/or dilute the strength of Opposer's SHARP marks and its related goodwill.

12. Applicant is not lawfully entitled to the registration which it seeks for the reason, *inter alia*, that the mark SHARPWITNESS as used for Applicant's goods so resembles Opposer's previously used and registered SHARP marks as to be likely to cause confusion, to cause mistake or to deceive within the meaning of Section 2(d) of the Trademark Act, thereby damaging opposer.

WHEREFORE, Opposer prays that the present opposition be sustained and that registration of the mark SHARPWITNESS sought by Applicant be refused.

The requisite filing fee for this Notice of Opposition is submitted herewith.
