Furthermore, I am relinquishing my application filing related to the DROID mark for luggage related products. Based on the significant legal battle that would ensue to preserve this mark for this given product subset I am withdrawing my application accordingly and will pursue another mark for my unique and novel product offering. Please be advised that as of today - August 31st, 2023, neither I nor my company, TRAVAGE, LLC. will pursue the DROID mark for trademark purposes and subsequently will not use the mark on any literature from this point forward.

Thank you!
