**NOTICE OF OPPOSITION**

Opposer TRAXXAS, L.P. (“Opposer”), a Texas limited partnership with a place of business at 6250 Traxxas Way, McKinney, TX 75070, believes it is or will be damaged by the registration of the mark MIGHTY MAXX and hereby opposes the same.

As grounds for relief, Opposer alleges as follows:

1. Opposer TRAXXAS, L.P. (“Opposer”) is engaged in the business of the manufacture, sale and distribution of radio-controlled model vehicles and parts therefore (“Opposer’s Goods”), as well as related goods and services.
  
2. Opposer and its predecessors in interest have, since at least December of 1999 used and Opposer continues to use the mark “MAXX” to identify, advertise, and promote Opposer’s Goods. Opposer registered its mark MAXX on January 2, 2007 (Reg. No. 3191106) for the same goods after an application for registration was filed on December 15, 2004, and such registration is valid. Opposer’s right to use its MAXX mark has become incontestable. A current status copy of Reg. No. 3191106 is attached and pleaded into the record.

3. Opposer and its predecessors in interest have, since at least October of 2009 used and Opposer continues to use the mark “MAXX” to identify, advertise, and promote Opposer’s batteries for use in connection with specifically motorized model vehicles. Opposer registered its mark MAXX on April 18, 2023 (Reg. No. 7031252) for the same goods after an application for registration was filed on November 30, 2018, and such registration is valid. A current status copy of Reg. No. 7031252 is attached and pleaded into the record.

4. Opposer and its predecessors in interest have, since at least June of 2018 used and Opposer continues to use the mark “MAXX” to identify, advertise, and promote Opposer’s battery chargers for use in connection with specifically motorized model vehicles. Opposer registered its mark MAXX on March 8, 2022 (Reg. No. 6667588) for the same goods after an application for registration was filed on November 30, 2018, and such registration is valid. A current status copy of Reg. No. 6667588 is attached and pleaded into the record.

5. Opposer and its predecessors in interest have, since at least November 28, 1999, used and Opposer continues to use the mark “T-MAXX” to identify, advertise, and promote Opposer’s Goods. The T-MAXX mark was registered on November 7, 2006 (Reg. No. 3169710) for the same goods after an application for registration was filed on December 15, 2004, and such registration is valid. Opposer’s right to use its T-MAXX mark has become incontestable. A current status copy of Reg. No. 3169710 is attached and pleaded into the record.

6. Opposer and its predecessors in interest have, since at least December 4, 2000, used and Opposer continues to use the mark “E-MAXX” to identify, advertise, and promote Opposer’s Goods. The E-MAXX mark was registered on May 12, 2009 (Reg. No. 3619270) for the same goods after an application for registration was filed on October 7, 2008, and such

registration is valid. Opposer now owns the E-MAXX mark, and Opposer's right to use the E-MAXX mark has become incontestable. A current status copy of Reg. No. 3619270 is attached and pleaded into the record.

7. Opposer and its predecessors in interest have, since at least July 17, 2009, used and Opposer continues to use the mark "MINI MAXX" to identify, advertise, and promote Opposer's parts for radio-controlled model vehicles. The MINI MAXX mark was registered on October 13, 2009 (Reg. No. 3697101) for the same goods after an application for registration was filed on July 15, 2003, and such registration is valid. Opposer now owns the MINI MAXX mark, and Opposer's right to use the MINI MAXX mark has become incontestable. A current status copy of Reg. No. 3697101 is attached and pleaded into the record.

8. Opposer has since at least November 20, 2015, used and continues to use the mark "X-MAXX" to identify, advertise, and promote Opposer's Goods. Opposer registered its mark X-MAXX on December 27, 2016 (Reg. No. 5110758) for the same goods after making an application for registration on August 21, 2015, and such registration is valid. A current status copy of Reg. No. 5110758 is attached and pleaded into the record.

9. Opposer has since at least November 20, 2015, used and continues to use the mark "XMAXX" to identify, advertise, and promote Opposer's Goods. Opposer registered its mark XMAXX on December 27, 2016 (Reg. No. 5110764) for the same goods after making an application for registration on August 25, 2015, and such registration is valid. A current status copy of Reg. No. 5110764 is attached and pleaded into the record.

10. Opposer has since at least February 6, 2003, used and continues to use the mark "WIDEMAXX" to identify, advertise, and promote scale model vehicle accessories, structural parts, and replacements parts therefor. Opposer registered its mark WIDEMAXX on July 14,

2020 (Reg. No. 6101868) for the same goods after making an application for registration on January 3, 2020, and such registration is valid. A current status copy of Reg. No. 6101868 is attached and pleaded into the record.

11. It has come to the attention of Opposer that the applicant Lynco Distribution, Inc DBA Lynco Products (“Applicant”) has applied for registration of the mark MIGHTY MAXX (the “MIGHTY MAXX Mark”) in the United States Patent and Trademark Office, as shown in U.S. Application Ser. No. 90790666 (the “Application”), having a filing date of June 23, 2021. The Application for the MIGHTY MAXX Mark seeks registration for:

Marketing services, namely, promoting the goods of others by means of retail pricing and retail displays; Marketing services, namely, promoting goods in the nature of automotive accessories and other items, namely, impulse, convenience, hardware and general goods; Retail store services in the field of impulse, convenience, automotive and general goods, namely, Bolts of metal, Metal bolts, Metal screws, Metal hexagon head bolts, Screws of metal, Hand-operated hack saws, Hand-operated pry bars, Hand-operated tin snips; Marketing services in the field of impulse, convenience, automotive and general goods, namely, bolts of metal, metal bolts, metal screws, metal hexagon head bolts, screws of metal, hand-operated hack saws, hand-operated pry bars, and hand-operated tin snips (“Applicant’s Services”) in International Class 035.

12. Applicant seeks to register the MIGHTY MAXX Mark for Applicant’s Services in International Class 035 as evidenced by the publication of the Application in the Official Gazette on July 25, 2023.

13. Prior to the filing date of the Application, Opposer and its predecessors in interest established a family of MAXX marks including at least the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, and WIDEMAXX marks. All of the MAXX, E-MAXX, MINI

MAXX, T-MAXX, X-MAXX, XMAXX, and WIDEMAXX marks include the same distinct family feature of the term “MAXX.” Opposer and its predecessors in interest have used and promoted the MAXX family of marks together for radio-controlled model vehicles and parts therefor to create among purchasers an association of common ownership, source, affiliation, sponsorship, or approval.

14. Opposer has expended, and continues to expend, substantial efforts and sums advertising and promoting Opposer’s Goods offered in connection with the MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and Opposer’s MAXX family of marks. Opposer has acquired and now enjoys substantial goodwill and a valuable reputation under its MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and MAXX family of marks. Opposer’s MAXX, E-MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and MAXX family of marks have become well known within the trade and among the relevant consuming public.

15. The MIGHTY MAXX Mark is confusingly similar to Opposer’s E-MAXX, MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and Opposer’s MAXX family of marks when the marks are viewed as a whole, in connection with the associated identification of services.

16. The identification in the Application, including but not limited to “Marketing services, namely, promoting goods in the nature of automotive accessories,” “Retail store services in the field of... automotive... goods”, and “Marketing services in the field of... automotive... goods” in Class 35, is related to the identification of goods in the registrations for Opposer’s MAXX, E-MAXX, T-MAXX, MINI MAXX, X-MAXX, XMAXX, and WIDEMAXX marks.

17. The identification for Applicant's Services under the MIGHTY MAXX Mark is without any restriction as to channels of trade or classes of purchasers. Applicant's Services are therefore presumed to encompass all goods or services of the type described, move in all normal channels of trade, and are available to all classes of purchasers. As such, Applicant's Services are therefore also presumed to encompass and travel in the same channels of trade to the same class of purchasers as those of Opposer's Goods sold by Opposer under the E-MAXX, MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and Petitioner's MAXX family of marks.

18. By virtue of Opposer aforementioned prior and senior rights arising from the registration and use of the Opposer's E-MAXX, MAXX, MINI MAXX, T-MAXX, X-MAXX, XMAXX, WIDEMAXX marks, and Opposer's MAXX family of marks, Applicant is barred from obtaining a registration of the MIGHTY MAXX Mark, because the use and attempt to register by Applicant of the MIGHTY MAXX Mark for the Applicant's Services, without authorization by Opposer, will create a likelihood of confusion, under Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d), including, without limitation, that there exists a common source, affiliation, approval, or sponsorship with the goods provided by Opposer in connection with its marks and family of marks.

**Wherefore**, for all of the foregoing reasons and for such other reasons as the Board determines are appropriate, Opposer respectfully prays that this Opposition be sustained, and the registration of U.S. Trademark Application No. 90790666 be refused.

Dated: September 22, 2023

Respectfully Submitted,

By: /s/Matthew Phillips
