Opposer,

v.

Steampunk, Inc.,

Applicant.

UNITED STATES PATENT AND TRADEMARK OFFICE
Trademark Trial and Appeal Board
P.O. Box 1451
Alexandria, VA 22313-1451

NOTICE OF OPPOSITION

Opposer, TBWA Worldwide Inc. (“TBWA”), a Delaware corporation having an address at 220 East 42nd Street, New York, New York 10017, believing it will be damaged by the registration of DISRUPTION DESIGN, as shown in App. Serial No. 97420980, hereby opposes its registration pursuant to 15 U.S.C. §§ 1051 *et seq.*, including specifically 15 U.S.C. § 1063.

This Notice of Opposition has been timely filed. As grounds for opposition, TBWA alleges as follows:

1. Applicant Steampunk, Inc. (“Applicant”) is listed as a Virginia corporation with an address at 9th Floor, 1753 Pinnacle Drive, McLean, Virginia 22102.
2. Applicant seeks registration of the mark DISRUPTION DESIGN for the following services:
 - International Class 35: Business consulting, management, and planning services in the field of cybersecurity, DevSecOps, data exploitation, digital platforms, design and strategy, and cloud-based services resulting in deliverable-based assets leveraging change management capabilities within agile methodologies; Business management consulting services in the field of cybersecurity, DevSecOps, data exploitation, digital platforms, design and strategy, and cloud-based services resulting in deliverable-based assets leveraging change management capabilities within agile methodologies.
 - International Class 42: Consulting services for others in the field of design, planning, and implementation project management of a solution framework incorporating Agile methodologies and change management for the capabilities of cybersecurity, DevSecOps, data exploitation, digital platforms, design and strategy, cloud-based services, resulting in deliverable-based assets.
3. Applicant filed Application Serial No. 97420980 on an actual use basis, with a first use date of January 7, 2022.
4. TBWA has used in commerce its family of DISRUPTION marks since at least as early as 1991. Since that time, TBWA has broadly used its distinctive DISRUPTION marks in connection with business consulting and related services. TBWA owns several federal trademark registrations for DISRUPTION marks including the following:

Mark	Reg. No.	Goods/Services
DISRUPTION	3,138,215	International Class 35: Advertising and marketing services; business marketing consulting services; brand development and brand consulting services; market research services; advertising agency services; public relations services; and interactive marketing and advertising services; International Class 41: Workshops, forums, seminars and training in the field of advertising and marketing communications.

Mark	Reg. No.	Goods/Services
DISRUPTION	5,246,748	<p>International Class 35: Digital advertising services; advertising services, namely, promoting and marketing the goods and services of others through all public communication means; advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels; business consulting and information services; business organization consulting; business management consulting; business consulting services, namely, providing assistance in development of business strategies and creative ideation;</p> <p>International Class 42: Website design and development for others; website design consultancy.</p>
THE DISRUPTION COMPANY	5,708,495	<p>International Class 35: Digital advertising services; advertising services, namely, promoting and marketing the goods and services of others through all public communication means; advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels; business consulting and information services; business organization consulting; business management consulting; business consulting services, namely, providing assistance in development of business strategies and creative ideation.</p>

True and correct copies of the electronic records for these registrations, printed from the United States Patent and Trademark Office’s (“USPTO”) Trademark Status & Document Retrieval (“TSDR”) online database, are attached hereto as Exhibit A. Each of the registrations noted above was issued on the Principal Register and is presently in full force and effect. Registration No. 3,138,215 is incontestable.

5. TBWA also possesses significant common law rights in the DISRUPTION mark for business consulting services, by virtue of its long and expansive use.

6. No issue of priority exists. TBWA has used, promoted and advertised DISRUPTION services since at least as early as 1991. Applicant claims a first use in January of 2022.
7. TBWA has invested significant resources promoting TBWA's marks to identify itself as the source for business consulting services rendered under the DISRUPTION brand. As such, consumers and others regard the DISRUPTION mark as symbolizing the goodwill inherent in TBWA's marks and further associate DISRUPTION solely with TBWA and its high quality services.
8. Applicant's DISRUPTION DESIGN mark is confusingly similar to TBWA's registered DISRUPTION trademark in terms of appearance, sound, and commercial meaning, pursuant to 15 U.S.C. § 1052(d). Indeed, TBWA's DISRUPTION mark is subsumed within Applicant's mark. The addition of DESIGN is insufficient to distinguish Applicant's mark, as "design" has been disclaimed as descriptive matter.
9. TBWA already uses DESIGN with DISRUPTION – see <https://designbydisruption.com/> . Thus, the Applicant's use of DISRUPTION DESIGN increases the likelihood of confusion.
10. The likelihood of confusion between the applied-for mark and TBWA's DISRUPTION mark is further increased by Applicant's claim to business consulting services in International Class 35. As reflected in its registrations for its DISRUPTION marks, business consulting services constitute TBWA's core services.
11. Additionally, Applicant's design and strategy services in Class 42 are closely similar to TBWA's registered design and strategy consulting services in Classes 35, 41, and 42.
12. There is no limit in the subject application on the types of consumers to which Applicant provides its services; thus, Applicant's clients are presumed to overlap with those of TBWA.

13. Given the goodwill and public recognition arising from the association of TBWA's DISRUPTION marks with TBWA, Applicant's proposed use of a similar DISRUPTION mark in connection with business consulting and related services is likely to cause clients mistakenly to believe that Applicant's services are somehow related to TBWA or that such services originate from or are sponsored or approved by TBWA. This confusion and mistake will cause injury to TBWA.
14. If Applicant were awarded a registration for DISRUPTION DESIGN, Applicant would be entitled to the presumptions flowing from such registration, all to the injury of TBWA.
15. TBWA has not given Applicant permission to use DISRUPTION DESIGN or any variant of TBWA's DISRUPTION trademark.
16. Accordingly, registration for the mark applied for under Serial No. 97420980 should be refused under the provisions of Section 2(d) of the Trademark Act.

WHEREFORE, Opposer, TBWA Worldwide Inc., requests that Application Serial No. 97420980 be rejected, that this opposition be sustained in favor of TBWA, and that no registration be issued to Applicant.
