-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------

NOTICE OF OPPOSITION

Zero Motorcycles, Inc., a corporation duly organized and existing under the laws of Delaware, with an office at 380 El Pueblo Drive, Scotts Valley, CA 95066 (“Opposer”), believes that it will be damaged by registration of the mark ELI ZERO that is the subject of United States Trademark Application Serial No. 87/649,801 (the “Opposed Mark”), filed in the name of Eli Electric Vehicles Co., Ltd. (“Applicant”), a China limited company with an address of Lüyouyuan, Konggang C Qu, Shunyi China 101301 and therefore hereby opposes such registration pursuant to 15 U.S.C. § 1063. In support of its opposition, Opposer states as follows:

1. Applicant is the owner of United States Trademark Application Serial No. 87/649,801 for the ELI ZERO mark, filed on October 18, 2017.
2. Opposer, through its predecessors-in-interest and affiliates, has been and is now, extensively engaged in the business of marketing and selling, in interstate commerce, various goods and services, including vehicles and parts and accessories for vehicles and associated services. In connection with the marketing and sale of such goods and services, Opposer has

extensively used, since well prior to Applicant’s filing date, and continues to use, a family of ZERO trademarks.

3. In addition to extensive common law trademark rights in the foregoing marks, Opposer owns U.S. federal trademark registrations for several of its marks covering some of its good and services, as reflected in the following registrations (common law and registered trademark rights hereinafter collectively referred to as “ZERO Marks”):

Mark	Reg. No.	Goods/Services
ZERO DS	4489903	Electric motorcycles; Motorcycles and structural parts therefor; Motorcycles for motocross in IC 12
ZERO FXE	6660664	Electric motorcycles; motorcycles and structural parts therefor; motorcycles for motocross in IC 12
ZERO DSR	5246839	Electric motorcycles; Motorcycles and structural parts therefor; Motorcycles for motocross in IC 12
ZERO FX	4925052	Electric motorcycles; Motorcycles and structural parts therefor in IC 12
ZERO FXP	5084632	Electric motorcycles; Motorcycles and structural parts therefor in IC 12
ZERO FXS	5246838	Electric motorcycles; Motorcycles and structural parts therefor in IC 12
ZERO MMX	5186862	Electric motorcycles; Motorcycles and structural parts therefor in IC 12
ZERO MOTORCYCLES	3669900	Electric vehicles, namely, motorcycles; Motorcycles in IC 12
ZERO S	4489899	Electric motorcycles; Motorcycles and structural parts therefor in IC 12
ZERO SR	5076013	Electric motorcycles, excluding saddles for the same vehicles; Motorcycles and structural parts therefor, excluding saddles for the same vehicles in IC 12
ZERO SR/F	5916734	Electric motorcycles; Motorcycles and structural parts therefor in IC 12

Mark	Reg. No.	Goods/Services
ZERO SR/S	6290725	Motorcycles and structural parts therefor; electric motorcycles in IC 12

These registrations are valid, subsisting and in full force and effect. See printouts from the USPTO's TSDR database, attached hereto as Exhibit A, showing the current status and title of each of the foregoing registrations. Each of the registrations noted above were issued on the Principal Register. Notably, Registration Nos. 4,489,903; 4,925,052; 5,186,862; 3,669,900; and 5,076,013 have all achieved incontestable status and therefore constitute conclusive evidence of Opposer's ownership and exclusive rights to use the subject marks in commerce.

4. Opposer's ZERO Marks are strong and distinctive. Opposer's goods and services offered in connection with the ZERO Marks have been, and continue to be marketed and sold in United States' commerce. Further, Opposer and its predecessors in interest and affiliates have extensively promoted and sold Opposer's goods and services in connection with the ZERO Marks in the United States. By reason of such advertising, promotion and sale of Opposer's goods and services under the ZERO Marks, Opposer has developed substantial goodwill and strong common law trademark rights in connection with the ZERO Marks prior to Applicant's filing date.

5. Notwithstanding Opposer's prior rights in and to the ZERO Marks, on October 18, 2017, Applicant filed an application to register the Opposed Mark for the applied-for goods. At the time it filed its application, Applicant had at least constructive knowledge of Opposer's rights in the ZERO Marks.

6. Opposer's rights in the ZERO Marks predate Applicant's rights in the Opposed Mark.

7. The Opposed Mark is confusingly similar, in appearance, sound, meaning, and commercial impression, to Opposer's ZERO Marks. The registration and use of the Opposed Mark by Applicant in association with the claimed goods is likely to cause confusion as to the source or origin of Applicant's goods, and is likely to mislead consumers, all to Opposer's damage.

8. The goods that Opposer provides under the ZERO Marks are, at a minimum, closely related, complementary or similar to the goods listed in Application Serial No. 87/649,801, and the goods are offered to identical, similar or overlapping classes of purchasers.

9. The Opposed Mark, when used in connection with Applicant's applied-for goods, is likely to cause confusion, to cause mistake, and to deceive the trade and public, who, upon seeing the Opposed Mark in connection with such applied-for goods, would believe that such goods originate with, are approved, sponsored or endorsed by, or have some connection or affiliation with Opposer. Accordingly, registration of the Opposed Mark for the recited goods would damage Opposer, and registration therefore should be refused pursuant to Section 2(d) of the Trademark Act.

WHEREFORE, Opposer believes that it will be damaged by registration of the mark, which is the subject of United States Trademark Application Serial No. 87/649,801, and therefore respectfully requests that such registration be refused.

Respectfully submitted,

Date: November 22, 2023
