MARK: ZINGBOT

ZYNGA INC.,

Opposer,

v.

TRADEZING LLC,

Applicant.

OPPOSITION NO.:

NOTICE OF OPPOSITION

Zynga Inc. (“Zynga” or “Opposer”) is a corporation organized under the laws of Delaware with a principal place of business at 699 Eighth Street, San Francisco, California 94103. Opposer believes its trademark and/or service mark rights will be damaged by the registration of the mark ZINGBOT (the “Disputed Mark”) by Applicant TradeZing LLC (“Applicant”) for *“Downloadable computer software, recorded computer software, downloadable chatbot software, downloadable computer programs, and recorded computer programs, using artificial intelligence for a cross-platform communicator chatbot for desktop, web, and mobile applications for online research, for sending and receiving news, for sending and receiving charts, for sending, receiving, recording, storing, transmitting, displaying and analyzing data, for real-time trading of stocks, bonds, crypto currency, virtual currency, digital currency, digital tokens of value, securities and assets, for sending and receiving images, art and videos, for live streaming, for sending and receiving of media, for management of and*

interacting with online communities, for processing and purchasing trades of stocks, futures, crypto currency, virtual currency and digital currency, including on foreign exchanges, for non-fungible tokens (NFTs) and digital tokens of value mining and minting, for entertainment, education, gaming, communicating, and social networking, and to allow users to perform electronic business transactions and to make payments and transfer funds via global computer and communications networks” in International Class 9 (“Applicant’s Goods”) and “Providing temporary use of on-line, non-downloadable computer software, chatbot software, and computer programs, using artificial intelligence for a cross-platform communicator chatbot for desktop, web, and mobile applications for online research, for sending and receiving news, for sending and receiving charts, for sending, receiving, recording, storing, transmitting, displaying and analyzing data, for real-time trading of stocks, bonds, crypto currency, virtual currency, digital currency, digital tokens of value, securities and assets, for sending and receiving images, art and videos, for live streaming, for sending and receiving of media, for management of and interacting with online communities, for processing and purchasing trades of stocks, futures, crypto currency, virtual currency and digital currency, including on foreign exchanges, for non-fungible tokens (NFTs) and digital tokens of value mining and minting, for entertainment, education, gaming, communicating, and social networking, and to allow users to perform electronic business transactions and to make payments and transfer funds via global computer and communications networks” in International Class 41 (“Applicant’s Services”) covered by the above-identified application Serial No. 97/638,685 (the “Application”), and, having been granted an extension of time to oppose up to and including January 3, 2024, and a further extension of time to oppose, with Applicant’s consent, up to and including March 3, 2024, hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer is a leading developer, marketer, and publisher of social games. Opposer's games are distributed to consumers throughout the world, including the United States, through a variety of channels, including but not limited to the Facebook social networking platform, mobile phone and tablet platforms such as Android, Windows, and Apple iOS, and Opposer's own website located at www.zynga.com.

2. Opposer is using and has continuously used marks comprising or containing

ZYNGA, together with other words and/or designs, including the following mark:

(the "ZYNGA Logo") (hereafter collectively referred to as the "ZYNGA Marks"), in United States commerce for many years in connection with its world-famous entertainment software, social games, and a wide range of related goods and services including downloadable game software; online electronic games; providing enhancements within online games; providing an internet website portal in the field of computer games and gaming; entertainment services, namely, providing virtual environments in which users can interact through social games; creating an online community for registered users to participate in competitions, showcase their skills, get feedback from their peers, form virtual communities, and engage in social networking; online social networking services; board games; puzzle games; card games; construction toys; and other related products and services (together with the goods and services in Paragraph 1 above, hereafter collectively referred to as the "ZYNGA Goods and Services"). The ZYNGA Marks have been featured prominently in connection with the promotion and sale of ZYNGA Goods and Services, and in related marketing and promotional materials.

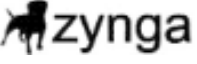

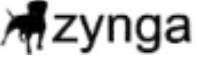

3. Opposer's ZYNGA Goods and Services include some of the most popular social and mobile games in the world, including but not limited to the *Farmville*, *Words With Friends*, and *Merge!* series of games, to name a few. In August 2023, Opposer also launched the blockchain-based game *Sugartown*, together with a collection of related NFTs, which are required for players to access the game, and which can be used to accumulate an in-game currency and enhance their gameplay experience.

4. Opposer is the exclusive owner of the following federal trademark registrations and applications on the Principal Register for the ZYNGA Marks:

- A. Registration No. 4,007,085 for ZYNGA for “*Computer game software; video game programs; and computer software platforms for social networking; interactive video game programs; downloadable electronic game programs and computer software platforms for social networking that may be accessed via the internet*” in International Class 9; “*Advertising services; advertising and marketing services, namely, promoting the goods and services of others*” in International Class 35; “*Entertainment services, namely, providing online computer and electronic games; entertainment services, namely, providing online computer games, enhancements within online computer games, and game applications within online computer games; providing an internet website portal in the field of computer games and gaming; entertainment services, namely, providing virtual environments in which users can interact through social games for recreational, leisure or entertainment purposes*” in International Class 41; “*Computer services, namely, creating an online community for registered users to participate in competitions, showcase their skills, get feedback from their peers, form virtual communities, and engage in social networking*” in International Class 42; and “*Providing links to the websites of others in the area of online social networking services; providing information about on-line social networking services; online social networking services*” in International Class 45; which issued August 2, 2011, and has achieved incontestable status;
- B. Registration No. 4,031,055 for ZYNGA for “*Promoting public awareness about charitable, philanthropic, volunteer, public and community service and humanitarian activities*” in International Class 35; and “*Providing access to computer, electronic and online databases; providing online chat rooms, and online forums for transmission of messages among computer users concerning user defined content; providing online chat rooms and electronic bulletin boards for transmission of messages among users in the field of games, virtual communities, social networking, and general interest; communications services, namely, transmission of information over the internet or other communication networks; electronic transmission of data, messages and information; providing*

online communications links which transfer web site users to other local and global web pages; telecommunications services, namely, peer-to-peer photo sharing services, namely, electronic transmission of digital photo files among internet users” in International Class 38; which issued on September 27, 2011, and has achieved incontestable status;

- E. Registration No. 4,977,615 for ZYNGA for “*Computer game software; computer game programs; electronic game programs; interactive video game programs; computer software for providing access to computer games through online social networking websites; computer game software for use on mobile devices” in International Class 9; and “Entertainment services, namely, providing online computer and electronic games; entertainment services, namely, providing non-downloadable games on mobile devices” in International Class 41; which issued on June 14, 2016, and has achieved incontestable status;*
- F. Registration No. 4,190,846 for ZYNGA POKER for “*Computer game software; video game programs; interactive video game programs; downloadable electronic game programs and computer software platforms for social networking that may be accessed via the internet, computers and wireless devices; computer software to enable uploading, posting, showing, displaying, sharing or otherwise providing electronic media or information in the fields of virtual communities, electronic gaming, entertainment, and general interest via the internet or other communications networks with third parties” in International Class 9; and “Entertainment services, namely, providing online computer and electronic games; entertainment services, namely, providing on-line computer games, game applications within online computer games, and virtual environments in which users can interact through social games for recreational, leisure or entertainment purposes” in International Class 41; which issued on August 14, 2016, and has achieved incontestable status;*

- 
- G. Registration No. 3,685,749 for  for “Downloadable computer game software for use on wireless devices and computers” in International Class 9; and “Entertainment services, namely, providing on-line computer games” in International Class 41; which issued on September 22, 2009, and has achieved incontestable status;
- H. Registration No. 4,886,300 for the ZYNGA Logo for “*Computer game software; computer game programs; electronic game programs; interactive video game programs; computer software for providing access to computer games through online social networking websites*” in International Class 9; “*Board games; puzzle games; card games; construction toys*” in International Class 28; and “*Entertainment services, namely, providing online computer and electronic games; providing online information in the field of computer games*” in International Class 41; which issued on January 12, 2016, and has achieved incontestable status;
- I. Registration No. 4,998,201 for the ZYNGA Logo for “*Computer game software; computer game programs; electronic game programs; interactive video game programs; computer software for providing access to computer games through online social networking websites; computer game software for use on mobile devices*” in International Class 9; which issued on July 12, 2016, and has achieved incontestable status;
- J. Registration No. 4,998,203 for the ZYNGA Logo for “*Entertainment services, namely, providing online computer and electronic games; entertainment services, namely, providing non-downloadable games on mobile*” in International Class 41; which issued on July 12, 2016, and has achieved incontestable status; and
- K. Registration No. 5,124,532 for the ZYNGA Logo for “*Online social networking services*” in International Class 45; which issued on January 17, 2017, and has achieved incontestable status.

5. The registrations listed above are valid and subsisting, are in full force and effect, are owned by Opposer, and serve as conclusive or *prima facie* evidence of Opposer’s exclusive rights in and to Opposer’s ZYNGA Marks. Records from the U.S. Patent and Trademark Office Trademark Status and Document Retrieval database concerning the above-referenced trademark registrations are attached hereto as **Exhibit A**.

6. Opposer has continuously and prominently used Opposer’s ZYNGA Marks since their adoption. Opposer has extensively used Opposer’s ZYNGA Marks in connection with the

promotion and sale of the ZYNGA Goods and Services in U.S. commerce and worldwide, and has achieved significant sales, exposure and recognition of the ZYNGA Goods and Services that have been promoted and sold in connection with Opposer's ZYNGA Marks.

7. By virtue of Opposer's longstanding use and extensive advertising and promotion of the ZYNGA Marks in connection with the ZYNGA Goods and Services, the ZYNGA Marks have developed enormous goodwill in the trade and among consumers and have become famous and exclusively associated with Opposer in the minds of the consuming public. Opposer therefore owns valuable rights in the ZYNGA Marks.

8. On October 19, 2022, Applicant filed the Application based upon its alleged intent to use the Disputed Mark in connection with Applicant's Goods and Services in International Classes 9 and 42 in United States commerce.

9. There has never been any relationship between Applicant and Opposer, and Opposer has never authorized or consented to Applicant's use or application to register the Disputed Mark opposed herein.

10. By virtue of Opposer's prior use and promotion of, and registrations for, Opposer's Marks, Opposer has prior rights in Opposer's Marks that are superior to any alleged rights of Applicant in the Disputed Mark.

11. Applicant's Goods and Services are similar and/or closely related to Opposer's ZYNGA Goods and Services bearing or offered in connection with Opposer's Marks. Upon information and belief, Applicant's Goods and Services and Opposer's ZYNGA Goods and Services bearing or offered in connection with Opposer's Marks will be marketed and sold through the same and/or similar channels of trade and to the same classes of consumers.

12. The Disputed Mark is confusingly similar in appearance, sound and meaning to Opposer's Marks. Among other things, the first and dominant portion of the Disputed Mark, the term "ZING," is nearly identical to Opposer's ZYNGA mark but for the exclusion of the letter "A" and the use of the letter "I" in place of the letter "Y." When spoken, the Disputed Mark and Opposer's Marks sound the same. The Disputed Mark therefore makes the same commercial impression as Opposer's Marks, such that consumers are likely to mistakenly believe the Disputed Mark refers to or is otherwise associated with Opposer and/or the ZYNGA Goods and Services. Confusion is particularly likely to the extent that consumers encountering the Disputed Mark – ZINGBOT – may mistakenly believe that the Disputed Mark is used to designate an autonomous online "bot" associated with Opposer and/or Opposer's ZYNGA Goods and Services.

13. The Disputed Mark so resembles Opposer's Marks as to be likely, when used in connection with Applicant's Goods and Services, to cause confusion, to cause mistake, and to deceive the trade and public, who are likely to believe that Applicant's Goods and Services have their origin with Opposer and/or that such goods and services are approved, endorsed, or sponsored by Opposer or associated in some way with Opposer and/or the ZYNGA Goods and Services. Opposer would therefore be injured by the granting to Applicant of a certificate of registration for the Disputed Mark.

14. Opposer has priority in its Marks predating any date upon which Applicant may rely for purposes of priority. Opposer's Marks are distinctive and famous and enjoyed such fame well prior to the October 19, 2022 filing date of the Application, and any other date on which Applicant may rely for purposes of priority. Opposer would be further injured by the granting of

a certificate of registration for the Disputed Mark because such mark is likely to dilute the distinctive quality of Opposer's Marks and impair the distinctiveness of Opposer's Marks.

WHEREFORE, for all of the foregoing reasons, Opposer has an entitlement to bring a statutory cause of action on the basis that believes that it will be damaged by registration of the Application and respectfully requests that this Opposition be sustained and that the Application for the registration of the mark ZINGBOT be refused.
