Opposition No. _____

TM: EVERSERVICE
(App. Serial No. 97474038)

NOTICE OF OPPOSITION

EverCommerce Solutions Inc., a Delaware corporation with its principal place of business at 3601 Walnut Street, Suite 400, Denver, Colorado 80205 (“EverCommerce”), believes that it will be damaged by registration of the EVERSERVICE mark (“Applicant’s Mark”) shown in Application Serial No. 97474038 (the “Application”), owned by EverService Holdings, LLC (“Applicant”). The Application was published in the *Official Gazette* on February 13, 2024. EverCommerce timely obtained extensions of time to oppose the Application and now states the following grounds for its opposition to the Application:

1. EverCommerce is the owner of all rights in and to the EVERCOMMERCE mark, both standing alone and in combination with other terms and/or design elements (the “EVERCOMMERCE Mark”), which EverCommerce has used continuously in United States commerce since at least as early as 2017 in connection with various business management, consulting, advisory, marketing, operations, accounting, human resources, sales management, and related services in the service sector software and solutions industry.

2. EverCommerce is also the owner of all rights in and to several additional EVER-formative marks, including but not limited to the marks EVERCONNECT, EVERPRO, EVERWELL, and EVERHEALTH, both standing alone and in combination with other terms

and/or design elements (collectively with the EVERCOMMERCE Mark, the “EVER Marks”). EverCommerce has used its EVER Marks continuously in United States commerce since at least as early as 2017 with respect to the EVERCOMMERCE Mark and as early as 2020 and 2021 with respect to the other EVER Marks, each in connection with the services set forth in the EverCommerce Registrations (as defined below), as well as in connection with related services.

3. As a result of EverCommerce’s continuous use of its EVER Marks in connection with its various services, and as a result of EverCommerce’s advertising and promotion of its services under the EVER Marks, the consuming public has come to recognize each of the EVER Marks as belonging to EverCommerce and associates and identifies the services offered under the EVER Marks with EverCommerce. EverCommerce consequently derives invaluable goodwill from this recognition, association, and identification by the consuming public.

4. In addition to its strong common law rights in its EVER Marks, EverCommerce is the owner of several United States federal registrations of the EVER Marks, including but not limited to the following registrations (collectively, the “EverCommerce Registrations”):

Mark	Reg. No.	Reg. Date	Services
EVERCOMMERCE	5501757	06/26/2018	Class 35: Business operation of service sector software and solution companies of others; Business management for service sector software and solution companies; Accounting services for service sector software and solution companies; Human resources services, namely, personnel selection for service sector software and solution companies; Marketing services in the field of service sector software; Sales management services for service sector software and solution companies; Business management consulting and advisory services for the service sector software and solution industry

EVERHEALTH	6202145	11/17/2020	Class 42: Software as a service (SAAS) services featuring software for use in practice management in the healthcare field
EVERPRO	6421844	07/13/2021	Class 42: Platform as a service (PAAS) featuring computer software platforms for project management and customer relationship management (CRM) in the field of remodeling and home improvement; Providing on-line non-downloadable software for project management and customer relationship management (CRM) in the field of remodeling and home improvement; Software as a service (SAAS) services featuring software for project management and customer relationship management (CRM) in the field of remodeling and home improvement.
EVERCONNECT	6556632	11/09/2021	Class 35: Advertising, promotion, and marketing services in the nature of lead generation, direct mail, digital marketing, and social media marketing for local home service contractors and other service professionals; On-line advertising and marketing services; Providing demand creation and lead generation activities and services.

Mark	Reg. No.	Reg. Date	Services
EVERWELL	6591608	12/14/2021	<p>Class 42: Platform as a service (PAAS) featuring computer software platforms for managing fitness and wellness businesses, namely, for use in lead management, customer relationship management (CRM), marketing, email campaigns and informational messaging, and hosting client portals for gyms, instructional fitness studios, salons, and spas in the fitness and wellness industry; Providing on-line non-downloadable software for use in lead management, customer relationship management (CRM), marketing, email campaigns and informational messaging, and hosting client portals for gyms, instructional fitness studios, salons, and spas in the fitness and wellness industry; Software as a service (SAAS) services featuring software for use in lead management, customer relationship management (CRM), marketing, email campaigns and informational messaging, and hosting client portals for gyms, instructional fitness studios, salons, and spas in the fitness and wellness industry</p>

5. The EverCommerce Registrations are valid and subsisting and Registration Nos. 5501757 and 5733708 have been registered on the Principal Register for more than five years.

6. In accordance with 37 C.F.R. § 2.122(d)(1), certificates of registration and electronic copies of records from the U.S. Patent and Trademark Office’s (“USPTO”) online TSDR database, demonstrating the current status and title of each of the EverCommerce Registrations, are attached as **Exhibits 1-6**.

7. Because of the distinctiveness of each of the EVER Marks, the length of time and extent to which EverCommerce has used the EVER Marks, the advertising and publicity the EVER Marks have received, the substantial trading area in which the EVER Marks are used, and the high degree of consumer recognition of the EVER Marks, the EVER Marks are well-known and strong marks, deserving of a broad scope of legal protection.

8. On June 24, 2022, Applicant filed an intent-to-use application with the USPTO to register the mark EVERSERVICE in standard character format for the following services in Classes 35 and 42 (App. Serial No. 97474038):

- Class 35: Business consulting services; sales promotion services; marketing services; marketing consulting; appointment scheduling services; providing sales leads in the home services and professional services industries; search engine optimization for promoting the websites of others; providing and arranging virtual online office receptionist services in the nature of telephone answering services in offices, patient intake in the nature of scheduling appointments and reaching on-call service providers, and legal intake services in the nature of scheduling appointments, onboarding clients, and maintaining legal records and files
- Class 42: Computer technical support services, namely, service desk or help desk services; IT consulting services; website design; website development for others; hosting of web sites

9. The services recited in the Application are identical to, and/or directly overlapping with, the services that EverCommerce currently provides in commerce in connection with its EVERCOMMERCE Mark and its other EVER Marks.

10. The services recited in the Application are likewise are identical to, and/or directly overlapping with, the services that EverCommerce has provided for years in commerce in connection with its EVERCOMMERCE Mark and its other EVER Marks, and prior to any constructive use date of Applicant's Mark.

11. Moreover, the services recited in the Application are identical to, and/or directly overlapping with, the services identified in the EverCommerce registrations.

12. Applicant's Mark is highly similar in sight, sound, appearance, and commercial impression to EverCommerce's EVER Marks.

13. Indeed, Applicant's EVERSERVICE mark incorporates the same naming convention as EverCommerce's family of EVER Marks, combining the dominant term EVER with a second term of broad suggestive applicability to the services in connection with which the

EVERSERVICE mark is sought to be used (e.g., EVER + COMMERCE, EVER + HEALTH, EVER + PRO vs. EVER + SERVICE).

14. Applicant had constructive knowledge of EverCommerce's EVER Marks prior to selecting Applicant's Mark.

15. Applicant had constructive knowledge of EverCommerce's EVER Marks prior to filing the Application.

16. On information and belief, Applicant had actual knowledge of one or more of EverCommerce's EVER Marks prior to selecting Applicant's Mark.

17. On information and belief, Applicant had actual knowledge of one or more of EverCommerce's EVER Marks prior to filing the Application.

18. EverCommerce's rights in each of its EVER Marks predate Applicant's use, actual or constructive, of Applicant's Mark.

19. EverCommerce is entitled to a statutory cause of action and will be damaged by registration of Applicant's Mark because the mark so resembles the EVERCOMMERCE Mark, the other EVER Marks, and the marks shown in the EverCommerce Registrations as to be likely to cause confusion, mistake, and/or deception.

20. Persons familiar with the EVER Marks and the services offered in connection with the EVER Marks would be likely to believe, erroneously, that Applicant's services are the services of EverCommerce or are authorized, endorsed, sponsored, or licensed by EverCommerce.

21. Thus, registration of Applicant's Mark on the Principal Register would be inconsistent with EverCommerce's strong rights in its EVER Marks and would be in violation of 15 U.S.C. §§ 1052(d) and 1063.

22. EverCommerce therefore requests that Application Serial No. 97474038 be refused in its entirety and that no registration issue to Applicant, and, further, that this Opposition be sustained in favor of EverCommerce.

This 7th day of June, 2024.

Respectfully submitted,

/Sabina A. Vayner/

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
