NOTICE OF OPPOSITION

Sharp Kabushiki Kaisha TA Sharp Corporation, a Japanese corporation having its principal place of business at 1 Takumi-cho, Sakaiku, Sakai City, Osaka, JAPAN 590-8522 (hereafter "Opposer"), believes that it will be damaged by registration of the mark shown in Application Serial No. 98278160, filed November 20, 2023, and hereby opposes the same.

The grounds are as follows:

1. Shenzhen Transchan Technology Limited (hereafter "Applicant") seeks registration of the mark SHARP NEWS for the following goods in Class 9:

Computer programs, recorded, for providing general and local news, commentary, and information in the fields of entertainment, arts, culture, fashion, sports, weather, and technology; Data processing apparatus; Data sets in the field of entertainment, arts, culture, fashion, sports, weather, and technology recorded on computer media; Downloadable comic strips; Downloadable computer software for providing general and local news, commentary, and information in the fields of entertainment, arts, culture, fashion, sports, weather, and technology; Downloadable data sets in the field of entertainment, arts, culture, fashion, sports, weather, and technology; Downloadable electronic publications in the nature of news, commentary, and information in the field of entertainment, arts, culture, fashion, sports, weather, and technology;

Downloadable image files containing artwork, text, audio, video, games and Internet Web links relating to sporting and cultural activities; Downloadable mobile applications for providing general and local news, commentary, and information in the fields of entertainment, arts, culture, fashion, sports, weather, and technology; Downloadable music files; Downloadable ring tones for mobile phones; Hand-held electronic dictionaries; Recorded computer game software; Recorded computer software for providing general and local news, commentary, and information in the fields of entertainment, arts, culture, fashion, sports, weather, and technology (hereafter "Applicant's goods").

Application Serial No. 98278160 was filed on November 20, 2023, and is based on Applicant's intention to use the mark in commerce pursuant to Section 1(b) of the Trademark Act.

2. On information and belief, Applicant made no use of the mark SHARP NEWS for Applicant's Goods in commerce prior to November 20, 2023.

3. On information and belief, Applicant has not commenced use the mark SHARP NEWS for any of Applicant's goods.

4. Long prior to the filing date of Application Serial No. 98278160 on November 20, 2023, Opposer adopted and began using in commerce the mark SHARP, alone and/or in combination with other words and designs, for a wide range of computer hardware, software, smartphones, mobile phones, electronic dictionaries, information displays, and related goods and services (hereafter "Opposer's goods").

5. Opposer is the owner of the entire right, title and interest in and to the mark SHARP for use in connection with Opposer's goods.

6. By virtue of its long, exclusive, and continuous use of the mark SHARP, alone and in combination with other words and/or design elements (hereafter collectively the "SHARP marks"), Opposer has acquired and is the sole owner of substantial common law trademark rights with respect to Opposer's goods, as well as related goods and services. Furthermore, due to the extensive nature of the sale and advertisement of

Opposer's goods, Opposer's SHARP mark has become famous in the United States and throughout the world to both actual and potential customers. In other words, the SHARP mark is an internationally famous mark that is well known not only in the United States but also all over the world with respect to Opposer's goods.

7. In addition to its substantial common law rights, Opposer is the exclusive owner of the following federal registrations, among others, directed to the SHARP marks, as well as registrations of other marks for Opposer's goods. Printouts from the USPTO TSDR database evidencing the status and ownership of the following registrations are annexed hereto as Opposer's **Exhibit A**:

- Reg. No. 5547887 of the mark SHARP BE ORIGINAL for "smart phones; mobile phones; scanners for data processing equipment; computers and their peripherals; tablet computers; electronic dictionaries; information displays with touch panels; desktop holders for smart phones; straps of smart phones; carrying cases for smart phones, etc."
- Reg. No. 6375562 of the mark SHARP 8K LAB for "smart phones; software for producing, recoding and processing audio and visual data; personal computers; tablet computers, etc."
- Reg. No. 5740155 of the mark SHARP Content Distributor for "software for digital signage, namely, software for creating, scheduling, distributing, displaying, managing and monitoring digital content; computer software, namely, software to create and manage digital signage content and to control digital signage displays and monitors, etc."

- Reg. No. 5865075 of the mark SHARP e-Signage for “electronic information display screens; digital signage; software for displaying digital signage; computer programs used to operate digital signs.”
- Reg. No. 2765106 of the mark SHARP for “computer software for managing documents.”

8. The registrations set forth in Paragraph 7 above are *prima facie* evidence of the validity thereof, Opposer’s ownership and exclusive right to use Opposer’s SHARP marks in commerce and are constructive notice of Opposer’s ownership thereof, all as provided by §§ 7(b) and 22 of the Trademark Act of 1946. As Opposer’s right to use the SHARP mark shown in Registration No 2765106 has become incontestable, that registration is conclusive evidence of Opposer’s right to use said mark in commerce on the goods specified in the registration, as provided by §§ 15 and 33(b) of the Trademark Act of 1946.

9. On information and belief, Applicant knew or should have known of Opposer’s long prior use and registration of its SHARP marks for Opposer’s goods at the time that Applicant filed Application Serial No. 98278160.

10. The dominant portion of Applicant’s mark Sharp News is “SHARP.” The exclusive right to use “NEWS” is disclaimed apart from Applicant’s mark. Applicant has incorporated Opposer’s famous SHARP mark as the first word and dominant portion of its mark, merely adding the descriptive and disclaimed word “NEWS” after the word “SHARP,” resulting in a mark which is visually and phonetically similar or identical to Opposer’s SHARP marks such that the marks create very similar commercial impressions.

11. Opposer's goods promoted and sold under its SHARP marks and Applicant's goods which it sells or intends to sell under the mark SHARP NEWS are very similar, identical and/or closely related and overlapping products or complementary products which are likely to be offered through the same or overlapping channels of trade to the same or overlapping classes of purchasers so that purchasers, prospective purchasers, users and others are likely to be confused, mistaken or deceived into the belief, contrary to fact, that Applicant's goods offered under the mark SHARP NEWS emanate from and/or are in some way sponsored or approved by Opposer or are otherwise related to Opposer's goods offered under the SHARP marks, thereby damaging Opposer.

12. In view of the foregoing, the registration of the mark SHARP NEWS by Applicant is likely to injure and/or dilute the strength of Opposer's SHARP marks and its related goodwill.

13. Moreover, upon information and belief, and based on Internet research, at the time of filing Application Serial No. 98278160, Applicant did not possess a bona fide intent to use the mark SHARP NEWS in commerce in connection with the goods covered by that application.

14. Indeed, an internet search reveals no information or marketing regarding the Applicant or its introduction of the mark SHARP NEWS in commerce in connection with any of Applicant's goods.

15. On information and belief, no written document(s) or documentary evidence exists from which an honestly held intent may be inferred and, as such, the submission of Application Serial No. 98278160 constituted a conscious effort for Applicant to obtain a registration to which it is not entitled.

16. Applicant is not lawfully entitled to the registration which it seeks for the reason, *inter alia*, that the mark SHARP NEWS as used or intended for use for Applicant's goods so resembles Opposer's previously used and registered SHARP marks as to be likely to cause confusion, to cause mistake or to deceive within the meaning of Section 2(d) of the Trademark Act, thereby damaging opposer.

WHEREFORE, Opposer prays that the present opposition be sustained, and that registration of the mark SHARP NEWS sought by Applicant be refused.

The requisite filing fee for this Notice of Opposition is submitted herewith.
