NOTICE OF OPPOSITION

Pirelli Tyre S.p.A. (“Opposer”), a società per azioni duly organized and existing under the laws of Italy, and having an office at Viale Piero e Alberto Pirelli, 25, I-20126 Milan, Italy, believes it would be damaged by registration of the mark ZERO MOTORS (“Applicant’s Mark”), which is the subject of Application Serial No. 98/016,037 (“Application”). The Application was filed with the U.S. Patent and Trademark Office (“USPTO”) on May 26, 2023 (“Application Filing Date”) in the name of Zero Motorcycles, Inc. (“Applicant”), a corporation organized and existing under the laws of Delaware, with a business address of 380 El Pueblo Rd., Scotts Valley, CA 95066.

As grounds for opposition, it is alleged that:

1. The Application was filed on the Application Filing Date to seek registration of Applicant’s Mark for use in connection with the following goods (collectively, “Applicant’s Goods”):

“Electric motorcycles; Motorcycles and structural parts therefor,” in International Class 12.

2. The Application was filed on an intent-to-use basis.

3. Opposer was founded in 1872 and is among the world’s leading producers of tires and associated goods/services, and the only one focused solely on the consumer market, which includes tires for cars, motorcycles, and bicycles. Opposer has 18 production plants in 12 countries, a commercial presence in over 160 countries, and around 31,300 employees.

4. Opposer participates in over 350 car and motorcycle sporting championships, and since 2011 has been the exclusive tire supplier to the Formula 1® World Championship, where Opposer’s P ZERO tire is featured, and will remain as sole global tire partner until 2027.

5. Opposer owns the following US Trademark Registrations (collectively, “Opposer’s Registrations”) for the marks shown below (collectively, “Opposer’s Marks”) covering the goods and services therein (collectively, “Opposer’s Goods and Services”):

6. Copies of the TESS printouts showing the status of Opposer's Registrations are attached as Exhibit A.

7. Opposer's Registration Nos. 3,661,976; 2,749,340; and 1,625,883 are incontestable.

8. Opposer's Registrations are valid and subsisting and are *prima facie* evidence of Opposer's exclusive right to use Opposer's Marks in US commerce on or in connection with Opposer's Goods and Services.

9. Beginning at least as early as 1988 and through the present day, continuously and without abandonment, Opposer and/or its licensees have marketed and provided vehicle tires and related goods and services in US commerce in connection with Opposer's ZERO or ZERO-formative marks.

10. Beginning before any date Applicant is able to rely on, and through the present day, continuously and without abandonment, Opposer and/or its licensees have marketed and provided vehicle tires and related goods and services in US commerce in connection with Opposer's Marks.

11. Opposer possesses valuable and enforceable prior registration-based rights in Opposer's Marks in connection with Opposer's Goods and Services in the US.

12. By virtue of Opposer's or Opposer's licensees' use of Opposer's Marks in connection with Opposer's Goods and Services, Opposer has acquired prior common-law rights in Opposer's Marks in connection with Opposer's Goods and Services in the US.

Likelihood of Confusion -- 15 U.S.C. § 1052(d)

Opposer repeats and reasserts each and every allegation set forth in Paragraphs 1-12.

13. The Application Filing Date is later than the effective filing dates of the applications that matured into Opposer's Registrations.

14. The Application Filing Date is later than the registration dates of Opposer's Registrations.

15. The Application Filing Date is later than the dates of first use of Opposer's Marks in US commerce in connection with Opposer's Goods and Services.

16. The Application Filing Date is later than the date of Opposer's common law rights in Opposer's Marks.

17. Based on the fact that the Application was filed on an intent-to-use basis and Applicant has not filed an Amendment to Allege Use in support of the Application, Opposer believes that Applicant did not – either itself or through Applicant's related company, licensee, or predecessor in interest – use Applicant's Mark on or in connection with Applicant's Goods in US commerce before the dates of first use of Opposer's Marks in US commerce in connection with Opposer's Goods and Services, before the effective filing dates of the applications that matured into Opposer's Registrations, or before the registration dates of Opposer's Registrations.

18. Therefore, Opposer has priority and is the rightful owner of Opposer's Marks for Opposer's Goods and Services.

19. Opposer's Marks and Applicant's Mark are highly similar in appearance, sound, connotation, and commercial impression.

20. Applicant's Mark disclaims the word MOTORS, leaving ZERO as the only distinctive part of the mark ZERO MOTORS. Opposer's Marks each contain or comprise the word ZERO, making the distinctive portion of Applicant's Mark identical or highly similar to Opposer's Marks.

21. The term MOTORS makes the commercial impression of motor vehicles in general, includes automobiles, like in the case of the third-party mark GENERAL MOTORS.

22. The parties' respective goods (motorcycles and parts therefor in the case of Applicant versus motorcycles, tires and related goods/services in the case of Opposer) are highly related and consumers are conditioned to think of motorcycles and tires, or motor vehicles and tires, as part of the same product offering.

23. Upon information and belief, Applicant's Goods would be offered to the same, substantially similar, and/or overlapping classes of consumers as Opposer's Goods and Services and would be sold in channels of trade that directly overlap with those of Opposer's Goods and Services.

24. Because Applicant's Mark is highly similar to Opposer's Marks, and because Applicant's Goods are highly related to Opposer's Goods and Services, registration of Applicant's Mark would be likely to cause confusion, mistake, or deception, in that relevant consumers are likely to believe Applicant's Goods offered under Applicant's Mark either emanate from or are sponsored by, or associated with Opposer, or that Opposer's Goods and Services offered under Opposer's Marks either emanate from or are sponsored by, or associated with Applicant.

25. If Applicant is permitted to register and use Applicant's Mark in connection with Applicant's Goods, confusion among consumers resulting in damage and injury to Opposer would be caused by virtue of the similarity between Applicant's Mark and Opposer's Marks, and the same nature of the goods and services covered by those marks. Any defect, objection, or fault found with Applicant's Goods would reflect upon and seriously injure the reputation and value that Opposer has established in Opposer's Marks.

WHEREFORE, Opposer prays that the Application be rejected, that no registration be issued thereon to Applicant, and that this opposition be sustained in favor of Opposer.

This Notice of Opposition is submitted together with the statutory filing fee of \$600. Opposer is submitting the filing fee via credit card. If for any reason this payment method is unsuccessful, authorization is granted to charge the filing fee of \$600.00 to Deposit Account No. 22-0261 and notify the undersigned accordingly.

Please conduct all correspondence in this matter with the undersigned at the below address.
