February 3, 2026

Opposition No. 91297380

Genmoji LLC

v.

Apple Inc.

Nicole Thier, Paralegal Specialist:

On February 3, 2026, Opposer file a request for clarification of the Board's January 28, 2026 order, indicating that Opposer had met the criteria for a proper withdrawal of counsel.

However, Opposer had failed to comply with the Board's order by not providing proof of service on the Applicant's counsel of record as required by 37 C.F.R. § 2.119. *See* TBMP §113.

As stated prior, the motion does not include one or more of the following requirements: (1) a statement of the reason(s) for the request; (2) a statement that the practitioner has given notice to the client that the practitioner is withdrawing from employment, and has allowed time for employment of other counsel; (3) a statement that all documents and property concerning the proceeding to which the client is entitled have been delivered to the client; (4) a statement that any advance payment of fee or expense that has not been earned or incurred has been refunded,

or, if appropriate, a statement that no fees or expenses have been paid in advance and not refunded; and (5) proof of service of the request upon the client and upon **every other party to the proceeding**. See Trademark Rule 2.19(b). Trademark Trial and Appeal Board Manual of Procedure (TBMP) § 513.01.

Proceedings remain suspended pending a response as indicated in the Board's January 28, 2026 order. The parties will be notified by the Board when proceedings are resumed, and dates will be reset, as appropriate.
