IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

FERNDALE IP, INC., Opposer, v. HS Cosmetics, Inc., Applicant.	Opposition No. _____ Application Serial No. 97773654 Mark: REPRADERM

NOTICE OF OPPOSITION

Opposer, Ferndale IP, Inc., a Michigan corporation having an address at 780 West Eight Mile Road, Ferndale, MI 48220, believes that it will be damaged by registration of REPRADERM ("the "Conflicting Mark"), in Application No. 97773654 (the "Conflicting Application") filed by HS Cosmetics, Inc., in International Class 003, and hereby opposes the same.

As grounds of opposition, Opposer alleges as follows:

1. Applicant, HS Cosmetics, Inc., a South Carolina corporation with an address at 820 S. Main St. #103, Greenville, South Carolina 29601, seeks to register REPRADERM for "Non-medicated skin care creams and lotions" in International Class 3, as evidenced by the status page from the TSDR System of the USPTO attached as **Exhibit A**.

2. The Conflicting Application was filed on January 30, 2023, based on first use in commerce dated Jan. 30, 2023.

3. For many years prior to the filing of Applicant's Conflicting Application and prior to Applicant's first use date, Opposer has used and extensively invested in its closely similar mark, RETRIDERM ("Opposer's Mark"), both domestically and internationally, for a wide range

of skin care preparations used to improve skin condition ("Opposer's Goods").

4. Opposer's first use of Opposer's Mark began in 2009, approximately thirteen years before Applicant first used the Conflicting Mark, and thirteen years prior to Applicant filing its Conflicting Application.

5. Opposer owns incontestable U.S. Registration No. 3659038 for RETRIDERM ("Opposer's Registration"), for "Non-medicated topical preparations for skin care" in International Class 3 ("Opposer's Registered Goods"). Opposer's U.S. Registration issued July 21, 2009. The status page of Opposer's Registration from the TSDR System of the USPTO is attached as **Exhibit B**.

6. Opposer has developed significant goodwill and consumer recognition over many years with respect to its use of Opposer's Mark. Through Opposer's efforts, expenditures of considerable sums for advertising and promotional activities, and the excellent quality of Opposer's Goods, Opposer has gained a valuable reputation in general and in particular for its products sold in connection with its RETRIDERM Mark. As a result, Opposer owns extensive common-law rights in the RETRIDERM mark.

7. Applicant's Conflicting Mark, REPRADERM is closely similar to Opposer's RETRIDERM Mark in appearance and pronunciation, and as such is confusingly similar to Opposer's RETRIDERM Mark.

8. The goods recited in Applicant's Conflicting Application are nearly identical to Opposer's Registered Goods

Applicant's Conflicting Application Description of Goods in U.S. Application No. 97773654	**Opposer's Registered Goods in U.S. Registration No. 3659038**
Class 3: Non-medicated skin care creams and lotions	**Class 3:** Non-medicated topical preparations for skin care

9. Based on Opposer's many years of prior use and registration of Opposer's RETRIDERM Mark, as compared to Applicant's first use of REPRADERM in January 2023, there can be no question that Opposer has priority of rights.

10. Opposer is actively engaged in the manufacture and sale of pharmaceutical and topical preparations for use in the medical field, including specifically, products used for the treatment of wounds, post-operative care, topical anesthetics, adhesives for skin, and the like ("Opposer's Broader Goods"). See, e.g., the goods in Opposer's Reg. Nos. 1476501, 3218885, 4251097, 4398957, 7466668, 1387998, 3349190, 5735328, 2766125, 2759300, 2846858, 2846859, 1337519], all attached hereto as Exhibit C.

11. The ordinary channels of trade and classes of consumers of Applicant's Goods are the same as or similar to the trade channels and classes of consumers of Opposer's Registered Goods and Opposer's Broader Goods.

12. The Conflicting Mark REPRADERM is closely similar to Opposer's RETRIDERM Mark and is intended to be used for goods nearly identical to those of Opposer, and Applicant's use of the Conflicting Mark, and the registration therefor, should it be allowed to register, is likely to cause confusion and lead to deception as to an association between the parties' respective goods or between the parties themselves. Applicant's Goods bearing the Conflicting Mark REPRADERM are likely to be mistaken for or associated with Opposer's Goods bearing Opposer's RETRIDERM Mark, or with Opposer itself.

13. If Applicant is permitted to use and register REPRADERM for the goods of the Application, confusion among consumers and distributors is likely to result, thereby causing damage and injury to the Opposer, as well as the public. Persons familiar with Opposer's many years' prior use of Opposer's RETRIDERM Mark would likely mistakenly buy Applicant's Goods,

thinking such goods are being offered by Opposer; the reverse may also occur. Any such confusion in trade inevitably would result in loss of sales and/or other damage to the Opposer. Furthermore, any defect, objection, or fault found with Applicant's Goods and services marketed under Applicant's Conflicting Mark would necessarily reflect upon and seriously injure the reputation that Opposer has established for its goods merchandised under Opposer's RETRIDERM Mark.

14. Additionally, if the Conflicting Application is permitted to register, Applicant would obtain at least a *prima facie* exclusive right to the use and registration of the REPRADERM Mark that is closely similar to Opposer's RETRIDERM Mark which would be directly inconsistent with Opposer's own exclusive rights in the RETRIDERM Mark, and rights flowing from Opposer's RETRIDERM Registration. Registration of the Conflicting Application, may limit Opposer's right to expand its goods and services,, and may limit Opposer's right to obtain additional registrations for Opposer's Mark. Such a conflicting registration would be a source of damage and injury to Opposer potentially for years to come.

WHEREFORE, Opposer prays that Application Serial No. 97773654 be rejected, that no registration be issued thereon to Applicant, and that this opposition be sustained in favor of Opposer as to all goods listed in the Application.

Respectfully submitted,

Dated: April 30, 2025
