JOINT MOTION FOR AMENDMENT OF APPLICATIONS AND CONTINGENT WITHDRAWAL OF OPPOSITION WITH PREJUDICE

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

Dear Sir or Madam:

The parties, through their undersigned counsel, file this Joint Motion to Amend Applications and Contingent Withdrawal of Opposition.

By and through this filing, Applicant, Belva, Inc., hereby moves pursuant to 37 C.F.R. § 2.133(a) to amend U.S. Trademark Application Serial Nos. 98227088 and 98227114 for the marks BELVA and (the "Applications"), respectively. The description of services should be amended as follows:

> Class 42: Application service provider featuring application programming interface (API) software; Application service provider featuring application programming interface (API) software for use in customer relationship management (CRM), business advertising, business management, developing code, and building software; Software as a service (SAAS) services featuring software

using artificial intelligence for providing personal assistant services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks; Non-downloadable intelligent personal assistant software for providing personal assistant services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks; Software as a service (SAAS) services featuring software using artificial intelligence for making appointments, making reservations, and for use in customer relationship management (CRM); **all of the foregoing excluding services or software services relating to or in the field of manufacturing and production of machinery and equipment**

Class 42 As Amended: Application service provider featuring application programming interface (API) software; Application service provider featuring application programming interface (API) software for use in customer relationship management (CRM), business advertising, business management, developing code, and building software; Software as a service (SAAS) services featuring software using artificial intelligence for providing personal assistant services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks; Non-downloadable intelligent personal assistant software for providing personal assistant services for others in the nature of planning, organizing, coordinating, arranging and assisting individuals to perform daily tasks; Software as a service (SAAS) services featuring software using artificial intelligence for making appointments, making reservations, and for use in customer relationship management (CRM); all of the foregoing excluding services or software services relating to or in the field of manufacturing and production of machinery and equipment

Opposer, Belvac Production Machinery, Inc., hereby consents to the foregoing amendments.

As the amendments do not expand the scope of the identification of services, and as Opposer has consented to these amendments, Applicant submits that the amendments are in compliance with the applicable rules. Additionally, contingent upon the Board's approval of Applicant's motion to amend the Applications as set forth above, Opposer notices the withdrawal of its opposition to the Applications with prejudice.

WHEREFORE, the parties request that this Joint Motion to Amend Applications be accepted, that the Board instruct the Commissioner for Trademarks to enter the requested amendments in the Applications, and the Opposition be dismissed with prejudice upon the entering of such amendments.

Respectfully submitted on July 24, 2026
