IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In re the Matter of

Serial No.: 99290455
Mark: VELVO PRODUCTS
Published: January 6, 2026

Volvo Trademark Holding AB, Opposer, v. Velvo Products LLC, Applicant.	Opposition No.:

NOTICE OF OPPOSITION

Volvo Trademark Holding AB, a corporation of Sweden, with an address at c/o AB VOLVO, SE-405 08 Göteborg, Sweden, believes that it will be damaged by registration of the mark VELVO PRODUCTS shown in Application Serial No. 99290455 and hereby opposes same.

As grounds for the opposition, it is alleged that:

1. Opposer's predecessors in interest and related companies (hereinafter collectively referred to as "Opposer") are now, and have since the 1950s in the United States and the 1920s elsewhere, been engaged in the sale of automobiles, trucks and other vehicles and many vehicle related goods and services under the trademark and trade name VOLVO. The VOLVO mark is used on vehicles, including cars, trucks, and construction equipment, and on wide variety of related goods and services, and in advertising for VOLVO products. In addition, the VOLVO mark is used on and in connection with automotive parts, among many other goods. Opposer

offers cleaning products under its VOLVO mark. Opposer's use of VOLVO in the United States precedes Applicant's filing date in the United States and any use date upon which Applicant can rely. Opposer has been using the VOLVO mark extensively on vehicles and other goods and services in the United States for many years.

2. By virtue of extensive advertising, sales and promotion of Opposer's automobiles and other goods and services in the United States under the VOLVO trademark, VOLVO has become and is a strong, distinctive and famous trademark in the United States within the meaning of The Lanham Act, entitled to the very broadest scope of protection. Opposer's VOLVO mark became famous prior to Applicant's filing date or any other date upon which Applicant can rely. VOLVO has been held to be a famous trademark many times, including in numerous ICANN proceedings administered by WIPO. The VOLVO trademark is one of the most valuable trademarks in the world. As a symbol of Opposer's goodwill, its value is immeasurable. Opposer alleges, on information and belief, that the VOLVO mark is associated exclusively with Opposer and its many goods and services.

3. Today, Opposer is the owner of many valid, subsisting, and unrevoked U.S. trademark registrations, upon which it relies in this proceeding, including the following. USPTO TSDR status copies for these registrations are attached as Exhibit A.

Registration No.	**Mark**	**Registration Date**
636128		October 23, 1956
636129	VOLVO	October 23, 1956
1220779	VOLVO	December 21, 1982
1250917	VOLVO	September 13, 1983
2794513	VOLVO	December 16, 2003
2869943	VOLVO	Aug. 03, 2004
3207372	VOLVO	Feb. 13, 2007

The above registrations and the use of the VOLVO mark are together hereinafter referred to as the "VOLVO Marks."

4. The application herein opposed seeks to register the mark VELVO PRODUCTS in International Class 12 for "Cleaning preparations."

5. Application Serial No. 99290455 was filed on July 18, 2025 under Section 1(b) of the Trademark Act with a claim of an intent to use the applied for mark in U.S. commerce.

COUNT I:
LIKELIHOOD OF CONFUSION

6. Opposer repeats and realleges the allegations set forth in Paragraphs 1 through 5.

7. Applicant was on constructive notice of Opposer's VOLVO trademark registrations at the time Applicant filed their application to register VELVO PRODUCTS as a trademark by virtue of Section 22 of The Lanham Act, 15 U.S.C. §1072.

8. The goods in the opposed application overlap with and are related to Opposer's goods and services sold under its famous VOLVO Marks and name. Applicant's goods would be likely to be thought to have emanated from the same source as Opposer's goods and services, or to have been approved, endorsed or sponsored by Opposer, or to be related to Opposer's goods and services.

9. The trademark in the opposed application, as applied to the goods set forth in that application, is confusingly and deceptively similar to Opposer's previously used and registered VOLVO Marks.

10. Opposer believes and therefore alleges that the use and registration of the trademark VELVO PRODUCTS by Applicant will damage Opposer, for the reasons, among others:

a. That purchasers and persons in the trade will be confused or deceived as to the source and origin of Applicant's goods to be offered and sold under the mark VELVO PRODUCTS; and

b. Purchasers, persons in the trade and others will assume, contrary to fact, that Applicant's goods are associated with, sponsored by or otherwise related to Opposer.

11. Registration of the mark sought by Applicant herein is barred by the provisions of Section 2(d) of the Trademark Act of 1946 for the reason that it consists of or comprises a mark which so resembles Opposer's previously used and registered trademark, when applied to the goods of Applicant, to cause confusion, mistake or deception.

COUNT II:
LIKELIHOOD OF DILUTION

12. Opposer repeats and realleges the allegations set forth in Paragraphs 1 through 11.

13. Registration of the mark sought by Applicant herein is barred by the provisions of The Trademark Act of 1946, as amended, for the reason that it consists of a mark which is so similar to Opposer's previously used, registered and famous mark, as to dilute the distinctive quality of Opposer's VOLVO Marks within the meaning of Section 43(c) of The Lanham Act.

WHEREFORE, Opposer respectfully prays that the registration sought by Applicant be refused and that this Opposition be sustained.

Payment of $600 believed to be the opposition fee has been made with this filing.

Respectfully submitted,

VOLVO TRADEMARK HOLDING AB
