RESPONSE TO REGISTRANT'S MEMORANDUM

Petitioner, William J. Snell, III, in response to the Registrant's memorandum to the Board of June 9, states as follows:

1. Petitioner's application has now matured into Reg. No. 2,708,267.
2. As noted in its prior filing with regard to this matter, Petitioner indicated it would have no objection to the reinstatement of Registrant's registration, so long as the reinstatement did not affect the validity of Petitioner's registration.
3. In the Coexistence Agreement entered into between the parties, Petitioner notes that the Registrant has consented to the use and registration of the Petitioner's mark by Petitioner.
4. Therefore, Petitioner states it has no objection to this requested relief so long as the requested relief does not affect the registration granted to Petitioner.

Respectfully submitted,
