**RESPONDENT'S RESPONSE TO BOARD NOTICE DATED MARCH 5, 2002**

This paper is in response to the Notice from the Trademark Trial and Appeal Board mailed March 5, 2002. In its Notice, the Board alerted Respondent that it had inadvertently failed to provide the necessary proof of service with its Stipulation to Extend Discovery Period Dates (the "Motion") filed on February 15, 2002. Accordingly, Respondent mailed a copy of the Motion to Petitioner on March 11, 2002 and attached the appropriate Certificate of Service. A copy of Respondent's letter to opposing counsel is attached hereto as Exhibit A. In addition, a duplicate original of the Certificate of Service bearing the signature of opposing counsel acknowledging receipt of the Motion is attached hereto as Exhibit B.

Respondent kindly requests that the Board accept the Stipulation to Extend Discovery Period Dates filed on February 15, 2002 in the above-captioned cancellation proceeding since, as required under 37 C.F.R. § 2.119, Respondent has served a copy of the Motion on opposing counsel.

Respectfully submitted,

J. Scott Evans  
Attorney for Respondent
