CONSENTED MOTION TO EXTEND SUSPENSION PERIOD

Opposer/Petitioner Chesapeake Bank hereby moves the Honorable Board to extend the suspension of proceedings in the above-identified consolidated Opposition and Cancellation for an additional six (6) months or until February 13, 2008.

The current suspension period is set to close and proceedings are set to resume on August 13, 2007.

The civil action which occasioned the suspension of this consolidated proceeding has not yet been resolved. However, the Parties have been engaged in good faith settlement negotiations and have now reached an agreement in principle which will resolve the civil action as well as this consolidated Opposition/Cancellation proceeding.

A written settlement agreement has been drafted but not yet approved and executed by the Parties. Accordingly, further suspension of this proceeding is respectfully requested to allow the Parties time to finalize and execute the written settlement agreement, to allow time for the Parties to complete the various steps to

resolve the civil action and these *inter partes* proceedings that will be required by the settlement agreement after it is executed, and to allow time for the District Court in the civil action, the Examiners in charge of the involved applications, and this Board to take the actions necessary to resolve all of the currently pending litigation between the Parties that will be requested by the Parties pursuant to the settlement agreement.

Counsel for the Applicant/Respondent, Fredric Abramson, Esq., consented to this Motion during a telephone conference with the undersigned counsel for Opposer/Petitioner on August 8, 2007.

Accordingly, Opposer/Petitioner respectfully urges the Honorable Board to grant this Motion and extend the suspension period in this consolidated Opposition/Cancellation proceeding for an additional six months or until February 13, 2007.

Respectfully submitted,

CHESAPEAKE BANK
