PETITION FOR CANCELLATION

Benetton Group S.p.A., a corporation of Italy, located and doing business in Treviso, Italy and successor in interest to Nordica S. p. A. believes that it will be damaged or injured by the registration of the trademark NORDIC GEAR by Nordic Gear, Inc. for the goods claimed in Trademark Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424 and hereby petitions to cancel the same.

As grounds for the petition to cancel, Petitioner alleges that:

1. Petitioner is the owner of a number of federal trademark registrations for NORDICA for, *inter alia*, clothing, sporting goods, outdoor gear, sunglasses, bags, briefcases, and shoes. The trademark registrations for the mark NORDICA owned by Petitioner include:

- Registration No. 2,336,107 for "all purpose synthetic bags, rucksacks, briefcases," in International Class 18; "caps, gloves, shirts, pants, polo shirts, wrist bands, headbands, sweaters, sweat trousers, sweat jerseys with hoods, socks, ski-shoes, cyclist pants, shoes, ski boots, ski boot gaiters," in International Class 25; "ski binding covers, ski goggles, ski cases, skis and ski poles," in International Class 28.

- Registration No. 1,140,419 for "clothing, namely, ski boots and apres ski boots," in International Class 25.

11/20/2001 TSMITH 00000057 2027298
01 FC:375 300.00 OP

DD

- Registration No. 1,636,804 for "shirts, headbands, sweaters, sweat jerseys with hoods, socks, skishoes," in International Class 25; "rucksacks and briefcases," in International Class 18; "sunglasses," in International Class 09.

- Registration No. 2,148,625 for "business consultation services, namely, offering technical assistance in the preparation, establishment, organization, furnishing, and advertising of sporting goods stores," in International Class 35.

Registration Nos. 1,140,419 and 1,636,804 are incontestable. All of the above-referenced registrations are valid and subsisting.

2. Petitioner, long prior to the adoption, use and registration of the name NORDIC GEAR by Registrant, adopted and used the trademark NORDICA for a variety of products including, *inter alia*, clothing, sporting goods, outdoor gear, sunglasses, bags, briefcases, and shoes.

3. As a result of Petitioner's long use and registration of its NORDICA mark and its extensive advertising and promotion of clothing, sporting goods, outdoor gear, sunglasses and other products under that mark, NORDICA has become exclusively associated with products originating with Petitioner, has become extremely well-known to the public, and has become famous.

4. The mark NORDIC GEAR was registered by Nordic Gear, Inc. on the Principal Register on the following dates for the following goods:

- January 26, 1999, Registration No. 2,219,945 for "automobile seat covers and seat belt padding covers," in International Class 12.

- December 8, 1998, Registration No. 2,208,052 for "toys and sporting goods, namely, juggling balls, Christmas tree skirts, non-confectionery Christmas tree ornaments and hunting gloves used in connection with holding hunting rifles," in International Class 28.

- March 31, 1998, Registration No. 2,147,424 for "sleeping bags and sleeping bag liners," in International Class 20.

- December 31, 1996, Registration No. 2,027,298 for "fleece blankets," in International Class 24.

Count I - ABANDONMENT

5. On information and belief, Registrant does not use the mark NORDIC GEAR in the United States on the goods identified in Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424, has not done so for more than three years and has no intention to use the mark on those goods in the future.

6. The continued maintenance of Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424 for the goods identified in those registrations interferes with the Petitioner's use and ability to register its mark NORDICA and thereby causes injury to Petitioner.

Count II - LIKELIHOOD OF CONFUSION

7. The marks of Petitioner and Registrant are nearly the same. The word GEAR is descriptive of the Registrant's goods leaving the word NORDIC as the commercially significant term in the Registrant's mark which differs from Petitioner's mark only by the letter A. As a result of Petitioner's registration and continued use of its trademark and service mark, NORDICA has become internationally well-known and is a famous mark identifying Petitioner and products and services that originate with Petitioner.

8. On information and belief, if Registrant uses the mark in the United States, the consumer for the goods of Petitioner will be the same or similar consumer of Petitioner's goods and services.

9. The goods associated with Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424, are closely related or similar to and directed to the same market as the goods sold by Petitioner under its NORDICA mark.

10. The continued maintenance of Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424 on the Principal Register is likely to cause confusion, and it likely to deceive and mislead consumers and should, therefore, be cancelled under Section 14 of the Lanham Act.

Count III - DILUTION

11. Petitioner's NORDICA trademark is well-known and famous as defined in Section 43(c) of the Trademark Act, 15 U.S.C. § 1125(c). NORDICA identifies Petitioner as the source of goods bearing this mark.

12. The filing of the applications for Registration Nos. 2,027,298; 2,208,052; 2,219,945 and 2,147,424 and the issuance of the registrations themselves occurred well after Petitioner's NORDICA mark became famous. Registrant's use of the NORDIC GEAR mark will also have occurred well after Petitioner's NORDICA mark became famous. Registrant's continued use of the NORDIC GEAR mark and the continued maintenance of Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424 will cause dilution of the distinctive quality of Petitioner's mark resulting in injury to the Petitioner.

WHEREFORE, Petitioner prays that this cancellation be sustained and that Registration Nos. 2,027,298; 2,208,052; 2,219,945; and 2,147,424 for the mark NORDIC GEAR be cancelled.

Respectfully submitted,

TTAB NOTICE CONCERNING CORRESPONDENCE ADDRESS
(TRADEMARK RULE 2.18)

The Trademark Trial and Appeal Board will mail correspondence to only one address for each party.

If a party is located in the U.S., correspondence will be sent to the party's own address, unless (1) papers filed with the Board are filed by a party's attorney, (2) a written power of attorney is filed, (3) a written authorization of some other person entitled to be recognized is filed, or (4) the party requests in writing that correspondence be sent to another address. In these situations, correspondence will be sent, respectively, to (1) the attorney filing papers, (2) the attorney named in the power of attorney, (3) the other person designated in the written authorization, or (4) the other address specified by the party.

When one attorney or other authorized representative makes an appearance on behalf of a party, his address is noted on the proceeding file as the correspondence address. If a second attorney or other authorized representative makes an appearance on behalf of the party, and requests that correspondence be directed to him, the correspondence address on the proceeding file will be changed, and future correspondence will be sent to the second attorney or other authorized representative, rather than to the first one. If the second attorney or other authorized representative does not request that correspondence be sent to him, the Board will continue to send correspondence to the first attorney or authorized representative.

If a power of attorney from a party to one attorney has been filed, and thereafter another attorney or authorized representative makes an appearance on behalf of the party and asks that correspondence be sent to him, the second attorney or authorized representative will be required to submit authorization, from the party or from the first attorney, for the requested change in correspondence address.

If a power of attorney from a party to one attorney has been filed, and thereafter a power of attorney from the party to another attorney is filed, the second power of attorney will be construed as a written request to change the correspondence address from the first attorney to the second one, even if there is no revocation of the first power, unless the party or the first attorney directs otherwise. Likewise, if an attorney makes an appearance on behalf of a party, and thereafter the party files a written power of attorney to another attorney, the Board will send subsequent correspondence to the appointed attorney.

If a power of attorney from a party to one attorney has been filed, and thereafter that attorney files an "associated power of attorney" to another attorney, the correspondence address will remain unchanged, and the Board will continue to send correspondence to the first attorney, unless the first attorney or the party directs otherwise.

In the case of a party whose application is the subject of a Board proceeding, any appearance or power of attorney (or designation of other authorized representative) of record in the application file at the time of the commencement of the Board proceeding is considered to be effective for purposes of the proceeding, and correspondence will be sent initially to that address. Thereafter, the correspondence address may be changed as described in Trademark Rule 2.18.

In the case of a party whose registration is the subject of a Board proceeding, any representative which may be of record in the registration file at the time of the commencement of the Board proceeding is not considered to be effective for purposes of the Board proceeding. Rather, correspondence is sent to the registrant itself unless and until another correspondence address is established in the manner described in Trademark Rule 2.18.

NOTICE CONCERNING ALTERNATIVE DISPUTE RESOLUTION (ADR)

The Trademark Trial and Appeal Board encourages you to consider alternative dispute resolution as a means of settling the issues raised in this opposition or cancellation proceeding. Although more than 95% of Board proceedings are decided prior to trial (by settlement or by entry of pre-trial judgment), alternative dispute resolution techniques might produce an earlier, mutually agreeable resolution of your dispute or might, at least, narrow the scope of discovery or the issues for trial. In either case, alternative dispute resolution might save you time and money.

Many non-profit organizations, both inside and outside the intellectual property field, offer alternative dispute resolution services. Listed below are the names and addresses of organizations that have indicated that they can make arrangements for alternative dispute resolution. The listings are given for your convenience; the Board does not sponsor nor endorse any particular organization's alternative dispute resolution services.

Finally, if the parties consider using alternative dispute resolution in this proceeding, the Board would like to know; and if the parties actually engage in alternative dispute resolution, the Board would be interested to learn what mechanism (e.g., arbitration, mediation, etc.) was used and with what general result. Such a statement from the parties is not required but would be helpful to the Board in assessing the value of alternative dispute resolution in Trademark Trial and Appeal Board proceedings.
